Affidavit of the Master or Commanding Officer, or First or Second Officer.

Jno. B. Kelly MASTER, of the ATLANTIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age). The return of age in column 5 should be expressed in years or months, the latter appropriately for babies under 1 year of age.

Column 6 (Sex). The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single). The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Occupation). The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, machinist, brass polisher, steel polisher, iron worker, weaver, tailor, etc., and not simply as laborer, polisher, molder, farmer, or other indefinite term.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the original and corrections should be made if necessary by inspectors and registry clerks during the personal examination of all aliens.

Aliens intending to go to Mexico, and not to the United States, should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 9 (Able to read and write). Column 9 is subdivided and the entries therein should be either Yes (Y) or No (N), can read and write. Yes (Y) can read but not write. Yes (Y) No (can read but not write).

Column 10 (Nationality). Column 10 should be construed to mean the country of which alien is a citizen or subject.

Column 11 (Race or people). The entry in column 9 should show the race or people as given in last column but one of this manifest.

Special attention should be paid to the distinction between race and nationality, and mistakes should be carefully revised by inspectors at the time each alien lands at the board. For instance, "France" appears as a nationality, but not as a race. French, the race or people, are entirely distinct. "France" by nationality. An alien who is a Hebrew by race might properly come under the heading of United Kingdom, any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any one whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence). The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. In case such relative living, give name and address of friend.

Column 14 (Final destination). The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if out of the United States.

Column 15 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 16 (By whom were passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not Yes or No (N), the United States before, and if so, the year (or period of years) and place, as 1902, Philadelphia.

Columns 19 (Going to join relatives or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 1 to 19. The above items in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, A. Vincent Elder, M.R.C.S. L.R.C.P., Surgeon of the CRETIC SAILING THEREWITH, do solemnly, sincerely, and truly DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each adult on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by the inspectors at registry clerks at this regard. For instance: "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Celt, German or Hebrew by race might properly come under the head of any United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or place* of last permanent residence. It is important for statistical purposes that steamship companies separately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. [illegible] MASTER, of the CRETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter to apply only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at time of arrival, as for example: Civil engineer, statistician, agent, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and connections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through, as "tourist," under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at Ellis Island clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and those districts, whether touching in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; if outside the United States

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (not ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money in sight by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place (as 1891, Philadelphia).

Column 17 (Having prepaid relative or friend, and if so what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 25.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, G. Vincent Eder, M.R.C.S. L.R.C.P., Surgeon of the CRETIC SAILING THEREWITH, do solemnly, sincerely, and truly DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 50 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, J. H. Peck MASTER (State whether Master, First or Second Officer), of the CELTIC from Liverpool, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in head on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien comes).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Keck MASTER, of the CRETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, dukedom, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes—(ticket) or No—(no ticket).

Column 14 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (*Coming to join relative or friend, and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country*, *evidently not town*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where).—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place (as, 1894-97, Philadelphia).

Column 17 (Coming to join relative or friend, and if so, such relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which nonimmigrants are citizens or subjects.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a steamer manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing in a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or Germany or other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other coastwise islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, colony, or dependency* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever been in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as 1891, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Kelly MASTER (State whether Master, First or Second Officer), of the CRETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly enter under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy southeast of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year or more, constitutes permanent residence. The last country in which alien resided with the intention of remaining as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in the country whence alien came). The entry in column 11 should give name and address (such relative living, give name and address of friend).

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show distinctly the place (city or town) of intended future permanent residence elsewhere than the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom passage paid). The entry in column 14 should show distinctly by whom passage was paid, as self, husband, father, brother, or other relative, name of steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 15 should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 16 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place (as, 1891—, Philadelphia).

Column 17 (Whether going to join a relative or friend, and if so, what one and where). The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (Ex.). The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, A. Dawson Esq M.R.C.S. L.R.C.P., Surgeon of the CRETIC 8 SAILING THEREWITH (State whether Surgeon, Acting Surgeon, or employed by owners thereof), do solemnly, sincerely, and truly DECLARE that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 50 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.) The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.) The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write.) Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality.) Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.) The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, who, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence.) An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as, 1891-97, Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age). The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex). The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single). The entry in column 7 should be either M (married), S (single), Wd (widow(er)), or D (divorced).

Column 8 (Calling or occupation). The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm, for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write). Column 9 is subdivided and the entries thereon should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes (No, can read but not write).

Column 10 (Nationality). Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people). The entry in column 11 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartimenti or Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 12 should show the *country, not place or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 14 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (Whether having ticket to such final destination). The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether whole expense paid). The entry in column 16 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much). The entry in column 17 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where). The entries in column 18 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 19 (Coming to join relatives or friends, and if so, what relative or friend). The entry in column 19 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, J. R. Kerr, MASTER (State whether Master, First or Second Officer), of the CRETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.) The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.) The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write.) Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality.) Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.) The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and returns should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy southeast the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence.) An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention not permanently as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came.) The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination.) Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if goes elsewhere than United States.

Column 13 (Whether having ticket to final destination.) The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50, and if less, how much.) The entry in column 15 should show distinctly by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much.) The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where.) The entries in column 17 should show whether or not a Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1891, 97, Philadelphia.

Column 18 (Going to join relatives or friends, and if so, what relative or friend, and where.) The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, A. Vawser Esby, M.R.C.S. Affidavit of the Master or Commanding Officer, or First or Second Officer.

4 7 11

I, J. H. B. Kelk (State whether Master, First or Second Officer) MASTER, of the CRETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.) The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.) The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write.) Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality.) Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.) The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 (Last permanent residence.) An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, civil city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Columns 11 (Name and complete address of nearest relative or friend in country whence alien came.) The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination.) Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Columns 13 (Whether having ticket to said final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid.) The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much.) The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where.) The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend.) The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18–21. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, John B. Kelly, MASTER (State whether Master, First or Second Officer.), of the CRETIC, from Liverpool, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing thereunto, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.) The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single.*) The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation.*) The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Can he read and write.*) Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality.*) Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people.*) The entry in column 9 should show the race or peoples as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments or Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence.*) An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, and not the town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came.*) The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination.*) Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (*Whether having a ticket to such final destination.*) The entry in column 13 should be either Yes (ticket), or No (no ticket).

Column 14 (*Whether whose passage paid.*) The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much.*) The entry in column 16 should give in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where.*) The entries in column 17 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as 1894 Pa., Philadelphia.

Column 18 (*Coming to join relative or friend, and if so, what relative or friend.*) The entry in column 18 should show whether going to join either relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 21. The answers in these columns are subject to reversal by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors at registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] MASTER, of the ORETIC, from Naples, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative, friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join other a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

ST

Affidavit of Surgeon.

I, A. Vawesour Elder, Surgeon of the S.S. CRETIC SAILING THEREWITH, do solemnly, sincerely, and truly M.R.C.S. & L.R.C.P. DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Jno. B. Keller, MASTER, of the S.S. CRETIC, from AZORES, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and, similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11.—*Name and complete address of nearest relative or friend in country whence alien came*.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (*Whether having through ticket to such final destination*).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry in column 15 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16.—*Whether ever before in the United States, and if so, when and where*.—The entry in column 16 should show whether or not (Y or No) in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 17 (*Name of person to join relative or friend, and his complete address*).—The entry in column 17 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Liable to be detained.—The answers in these columns are subject to revision by any inspector on duty at the examination of aliens.

Affidavit of Surgeon.

I, A. Vanissat Elder, Surgeon of the S.S. CRETIC SAILING THEREWITH , do solemnly, sincerely, and truly M.R.C.S. L.R.C.P. DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given and set back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, nor similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish social

I, [illegible] MASTER, of the S.S. CRETIC, from AZORES, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 4 should be expressed in years or months, the latter if apparently only to those under 1 year of age.

Column 4 (Sex).—By entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow) or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each before arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown as on hand.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steam fitter, repairer, etc., should make this distinction on the manifest, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of each alien.

Aliens in transit through and out of the United States should be recorded under head of "No calling, in transit," those coming only to seek employment or settle in the United States but not intending to pass through, to be classed as tourist, under head of occupation.

Column 7 (Able to read or write).—Column 7 is intended to test the ability of the person to read or write his own language, and the entry should be either Yes or No. Yes if can read and write, No if can neither read nor write, or can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as generally understood. Thus:

Specific instructions, issued by the Department of Commerce and Labor, to immigrant inspectors, read in part as follows:

"Nationality, race, and people are frequently confused, as there is a great tendency to write 'English' for a person coming from England, 'Scotch' for one coming from Scotland, 'Irish' for one coming from Ireland, and 'German' for one coming from Germany, whereas the persons may be Welsh, Scotch, Irish, German, Hebrew, Bohemian, Polish, etc., by race or people, and only English, Scotch, Irish, German, etc., by nationality. An Irishman may be a Celt, Milesian, Firbolg, Anglo-Saxon, Anglo-Norman, Scotch-Irish, Palatine German, Huguenot, Hebrew, etc., by race or people, but he is always Irish by nationality. A Welshman may be Welsh, Cymric, Celt, Silurian, Ordovician, Cambrian, Anglo-Saxon, Anglo-Norman, Flemish, Hebrew, etc., by race or people, but he is always English by nationality. A person may be an Englishman, Scotchman, Irishman, German, Frenchman, Spaniard, Italian, Russian, Swede, Norwegian, Dane, Hollander, Belgian, Swiss, Austrian, Hungarian, Bohemian, Portuguese, Turk, Greek, Syrian, Armenian, Arabian, Chinese, Japanese, Hindoo, Negro, mulatto, quadroon, octoroon, etc., by race or people, but he is always an Englishman, Scotchman, Irishman, German, Frenchman, Spaniard, Italian, Russian, Swede, Norwegian, Dane, Hollander, Belgian, Swiss, Austrian, Hungarian, Bohemian, Portuguese, Turk, Greek, Syrian, Armenian, Arabian, Chinese, Japanese, Hindoo, Negro, mulatto, quadroon, octoroon, etc., by nationality. A Canadian who is Irish, German, or Hebrew by race or people is properly entered under the heading of 'United Kingdom' or some other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term 'Cuban' refers to the Cuban people, not Negroes.

WEST INDIAN.

'West Indian' refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

'Central American' refers to the people of Central America and South American of Spanish descent.

AFRICAN (BLACK).

'African (black)' refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country*, *city*, or *town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who have resided for a short time only in the United States and who return to a foreign country from which they originally emigrated, after a visit abroad, should be recorded on said lists as United States as country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place, city or town of final destination within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (not ticket).

Column 14 (If any person who paid passage paid).—The entry in column 14 should show definitely by whom passage was paid, as "self, husband, father, brother, or other relative, friend, steamship company, etc."

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should state in each case (in round numbers) the exact amount of money. Money belonging to one head of a family should be divided among the several members.

Column 16 (Whether going to join a relative (name and address) in the United States, and if so, whom and where).—Column 16 should show whether going to join relative (name) in the United States. In column 17 should be shown whether going to join relative at Boston, New York, Philadelphia, etc.

Column 17 (Whether going to join a relative, friend, or other person, and if so, what person and where).—The entry in column 18 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Remarks (Column 18).—The answers to these columns are subject to revision by any inspector, collector, or Assistant Secretary.

Affidavit of Surgeon.

I, C. Vawasour Elder, Surgeon of the R.M.S. CRETIC SAILING THEREWITH, do solemnly, sincerely, and truly M.R.C.S. & L.R.C.P. DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, [illegible] MASTER, of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1, Age. The number of years in this column should be expressed in years or months, the latter appearing as fractions of a year, thus:

Column 2, Sex. Here insert whether male or female. Males may be designated by the letter M, females by the letter F.

Column 3, Married or Single. Here write, as the case may be, the word "married" or "single." Widows or widowers are to be reported as married persons.

Column 4, Occupation. The entry in this column is subject to careful scrutiny, and particular attention is directed to the following instructions: Care must be taken to distinguish between persons having no occupation, such as housewives, children, and persons of leisure, and persons who have an occupation, however humble it may be. Illiterate laborers, for example, frequently state that they have no occupation, when in fact they are common laborers. Such persons must be reported as laborers, and not as having no occupation. Persons formerly engaged in gainful occupations, but incapacitated by age or infirmity from following them, should be reported as laborers, farmers, etc., according to their former occupations, and not as having no occupation.

Children should be entered as having the occupation, if any, of persons of their class. Young children usually have no occupation, and the word "none" should be entered in such cases.

Wives should not be reported as having the occupation merely of housekeeping, unless they have no other occupation, but the occupation, if any, pursued in addition to housekeeping should be stated. For example: Frequently a wife assists her husband in his occupation, as a farmer, tailor, etc., and sometimes carries on a business, such as millinery, dressmaking, etc., in addition to housekeeping. In such cases the occupation of the wife should be entered as well as that of the husband, for example: "Farmer and milliner," "tailor and dressmaker," etc. Merely entering the word "housekeeping" in such cases would not be sufficient.

Widows and widowers should be reported as having the occupation they had when their husbands or wives died, unless they have since acquired another occupation, regardless of the amount of time that has elapsed since the death occurred.

Persons of all ages who have no occupation, including children, should be reported as having no occupation.

Laborers, of whatever class, should be carefully distinguished from all persons engaged in skilled occupations, and the particular kind of labor they perform should be specified, as "laborer," "farm laborer," "day laborer," etc.

Skilled workers, artisans, and handicraftsmen of all classes should be carefully distinguished from laborers, and the particular craft, trade, or handicraft which they severally follow should be specified, as "mason," "bricklayer," "carpenter," "machinist," "engineer," "tailor," "tailoress," "dressmaker," "milliner," "weaver," "dyer," "printer," "bookbinder," "cabinetmaker," "furniture polisher," "moulder," "potter," "glass blower," "designer," etc.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] MASTER, of the S.S. CRETIC, from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age). The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex). The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (if widowed), or D (if divorced).

Column 5 (Calling or occupation). The entry in column 6 should describe as identically as possible the occupation, trade or profession of each and all persons as, for example: "Farmer, stationary engineer, locomotive engineer, cabinet maker, brass polisher, steel polisher, iron molder, wood turner, etc.," and not simply as "engineer, polisher, molder, turner, or other indefinite description."

A distinction should be drawn between *laborers* and *farm laborers* regardless of the amount of intelligence shown in calling.

A *farmer* is one who owns or rents a farm, cultivating it himself or by others.

A *farm laborer* is one who works on a farm for wages, salary, or share of crops.

Steamship companies have been furnished with examples and corrections should be made accordingly in pencil, and no attempt should be made during the personal examination of aliens at ports.

Aliens in passing to and through, and not out of the United States, should be recorded under heading "In transit." The word "through" in regard to aliens destined to the United States, but not intending to pass through to Canada, should be classed as "tourists" under head of "Destination."

Column 6 (Nationality or race). Columns 6 should be subdivided and the entries therein should be, as "Irish," "English," "Scotch," "German," "French," "Italian," "Spanish," "Portuguese," "Norwegian," "Swedish," "Russian," "Finnish," "Hebrew," "Syrian," "Turkish," "Armenian," "East Indian," "Chinese," "Japanese," "Mexican," "Cuban," "West Indian," "Central American," "South American," "African (black)," "Other nationalities."

Column 7 (Country of which citizen or subject). Column 7 should be construed to mean the country of which the alien is a citizen or subject.

Column 8 (Race or people). The entry in column 8 should show the race or people as given under the head of "Nationality."

Special attention is directed to the distinction between race and nationality, and in all cases the race or people, as Hebrew, Irish, Scotch, English, German, French, Spanish, Italian, etc., should be carefully ascertained and correctly recorded. For instance, "France" or "Switzerland" as a nationality does not necessarily mean "French" by race or people, and "Germany" or "Austria" as a nationality does not necessarily mean "Teutonic" by race or people. An alien who is Irish, German, or Hebrew by race might properly be described under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba) not Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any admixture of appearance indicates an admixture of Negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of the people speak a Gallic dialect of the Lombardic group.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Umbria, Marches, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 9 (Last permanent residence). The entry in column 10 should show the country, city, or town which was the last permanent home or residence of the alien, as distinguished from a place where he had been temporarily sojourning or remaining for a short time only.

Column 10 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should show the name and complete address of the relative, friend, or acquaintance who purchased the ticket or paid the passage of the alien, or who had directed him to come.

Column 11 (Final destination). The entry in column 12 should show the name of the city, town, or place in the United States where the alien intends to reside, and not merely the State.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend). The entry in column 13 should be either "Yes" or "No," as the case may be.

Column 13 (Ever in prison or almshouse or supported by charity, and if so, what and where). The entry in column 14 should be made by writing the word "Yes" or "No," as the case may be, opposite the name of each alien.

Column 14 (Whether in possession of money, and if less than $50, how much). The entry in column 15 should be made by writing the word "Yes" or "No," as the case may be, opposite the name of each alien. If the alien has money, the amount in his possession should be stated, showing the several items of bills and coin.

Column 15 (Whether in possession of railway ticket, and if so, to what destination). The entry in column 16 should be made by writing the word "Yes" or "No," as the case may be, opposite the name of each alien. If the alien has a railway ticket, the destination should be stated before the word "Yes" is written.

Column 16 (Whether coming under contract or agreement to perform labor in the United States, and if so, what kind). The entry in column 17 should be made by writing the word "Yes" or "No," as the case may be, opposite the name of each alien. If the alien is coming under contract or agreement to perform labor in the United States, the kind of labor he is to perform should be stated.

Column 17 (Whether a person excluded by the last preceding general immigration law and if so, why). The entry in column 18 should be made by writing the word "Yes" or "No," as the case may be, opposite the name of each alien. If the alien is a person excluded by the last preceding general immigration law, the reason for such exclusion should be stated, as "Contract labor," "Assisted," "Idiot," "Insane person," "Epileptic," "Pauper," "Likely to become a public charge," "Afflicted with tuberculosis," "Afflicted with loathsome disease," "Convicted of felony or other crime involving moral turpitude," "Polygamist," "Anarchist," "Prostitute," "Woman coming for purpose of prostitution," "Assisted by [illegible]."

Affidavit of Surgeon.

I, A. Vaucaut Esqr M.R.C.S. L.R.C.P., Surgeon of the S.S. CRETIC 8- : SAILING THEREWITH , do solemnly, sincerely, and truly DECLARE that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

B.16.14

I, Jno. N. Keck, MASTER, of the S.S. CRETIC, from AZORES, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in each case.

A *laborer* is one who performs labor for himself or others.

A *laborer* is one who works on a farm for his own or others' benefit.

Steamship companies should make this distinction in the manifests, and corrections should be made by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States but not intending to pass through to Canada should be classed as "Tourist" under head of occupation.

Column 7 (Height and eyes).—Column 7 is subdivided and the entry therein should be either Y. (for 5 feet and over), or N. (for less than 5 feet), to indicate the height, and either Bl., Gr., Hz., or Dk. to indicate color of eyes.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien last became a subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in lists or manifests.

Special attention should be paid to the distinction between race and nationality, and manifests should not be accepted by inspectors and registry clerks unless they accord. For instance, "Hebrew" is sometimes erroneously inserted in the column headed "Race or people" as indicating nationality. An alien whose birth occurred in Russia, Germany, or Holland may be a Hebrew, but he is a native of the country in which he was born, and not of any other country by nationality. In this connection the following distinctions should be carefully observed.

CELTIC.

The term "Celtic" refers to the Celtic people of Northwest [illegible].

ANGLO-SAXON.

"Anglo-Saxon" refers to the people of the West Indies, other than Cuba, and not Negroes.

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish [illegible].

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, other islands of the West Indies, North or South America, Europe, or Africa. Any dusky appearance indicates an admixture of Negro blood and should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last [illegible]).—The entry in column 10 should show the *country, city, or place* of the last permanent residence. It is not to be understood that steamship companies are to make investigations for the purpose of ascertaining the last permanent residence of aliens, but merely to procure it from the aliens themselves.

Aliens who are permanent residents of the United States, returning from a visit abroad, should be recorded on manifests as to their last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should show the name and address of such relative. It is not to be understood that steamship companies are to make investigations for the purpose of ascertaining the name and address of such relative or friend, but merely to procure it from the aliens themselves.

Column 12 (Final destination).—The entry in column 12 should show the name of the city or town of final destination in the United States, as near as may be.

Column 13 (Whether in possession of [illegible]).—The entry in column 13 should be either Yes or No, as the case may be.

Column 14 (Ship arrived from, and port of final departure).—The entry in column 14 should show the name of the vessel by which passage was taken, and the port from which the vessel sailed, as for instance, Liverpool, Queenstown, Cherbourg, Bremen, Hamburg, Antwerp, Rotterdam, Amsterdam, Glasgow, Londonderry, Havre, Naples, Palermo, Genoa, Gibraltar, Fiume, Trieste, Copenhagen, Stockholm, Christiania, Gothenburg

Affidavit of Surgeon.

I, C. Vaussour Elder, M.R.C.S. L.R.C.P., Surgeon of the S.S. CRETIC SAILING THEREWITH, do solemnly, sincerely, and truly DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—Use the word in column 4 should be either Male or Female.

Column 5. Married or single.—The entry in column 5 should be either Married, Single, Widow, Widower, or Divorced.

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Clerk, engineer, laboratory assistant, locomotive engineer, nurse, stenographer, bricklayer, cabinetmaker, woodturner, etc., and not simply "engineer, mechanic, laborer, servant, or other indefinite designations.

A distinction should be made between *permanent* and *temporary* occupations, regardless of the amount of money shown in column 9, as follows:

Laborer.—Not who expects to labor either for himself or others.

Farm laborer.—One who works on a farm for the wage he receives.

Should a person be found to make the slightest attempt to conceal, and corrections should be made in this column, by inspector and deputy clerk during the personal examination of each alien.

Any person who proposes to pass through and out of the United States should be recorded under head of occupation as "in transit." Persons arriving only for a temporary sojourn in the United States, but not intending to remain, should be classed as "tourists" under head of occupation.

Column 7. Able to read or write.—This column is subdivided and the entry therein could be either Yes or No. Persons who can read or write, or Yes. No. Not to read or write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which immediate possession was last claimed.

Column 9. Race or people.—The entry in column 9 should show the race or people as generally understood in the country.

Special attention is called to the distinction between race and nationality, and repeated heedless mistakes, noted by inspectors in entry books, must be regarded as culpable. For instance, Finns appear in the census records as Russians; French by race people are frequently returned as Germans because they do not necessarily emigrate from Germany; Poles appear in the census records as Austrians, Germans, or Russians; Hebrew by race might people from any of the leading civilized Kingdoms or other country by nationality. In this connection the following instructions should be especially observed.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, Mexico, Central or South America, Europe, or Africa. Any admixture apparently indicates an admixture of Negro blood should be classified under this heading.

ITALY (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the departments of Piedmont, Lombardy, Venetia, Parma, Modena, and the Legations, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Rhaetian dialect.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies, should be classed as "Italian (south)."

Column 10. Last permanent residence.—The entry in column 10 should show the country of last permanent residence. It is intended by this column to ascertain for statistical purposes that cosmopolitan emigration which, accustomed to roam, changes its home independent of country, first port of residence, nationality, or race.

Aliens who are permanent residents of the United States and who return from a visit abroad should be returned as of the United States as country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give the name and address of such relative. It must at least be sufficient to enable the alien to find

Column 12. Ultimate destination.—The entry in column 12 should show the place (city or town, if possible to name) to which the alien is destined in the United States.

Column 13. Whether having a ticket through to final destination.—The entry in column 13 should be Yes or No, as the case may be.

Column 14. If not, whether in possession of sufficient money to pay his railroad fare or other transportation to such destination.—The entry in column 14 should be Yes or No, as the case may be.

Column 15. Whether in possession of $50 and if less how much.—The entry in column 15 should show whether the alien has in his possession at the time of inspection fifty dollars in money, and if less the exact amount. Money in the possession of relatives or friends should not be included, but actual money in the alien's own possession.

Column 16. Whether going to join a relative or friend, and if so what relative or friend, and the name and complete address of such relative or friend.—The entry in column 16 should show whether the alien is going to a relative or friend, and if so, the name and complete address of such relative or friend.

Column 17. Whether ever before in the United States, and if so when and where.—The entry in column 17 should show whether the alien has ever been in the United States before, and if so, when and where.

Affidavit of Surgeon.

I, A. [illegible] M.D., Surgeon of the S.S. CRETIC SAILING THEREWITH (Name whether Surgeon or acting Surgeon, or employed by surgeon thereof, or other name as the case may be), do solemnly, sincerely, and truly DECLARE that I have had 8- years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, John B. Kell, MASTER, of the S.S. CRETIC, from AZORES, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 50 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widow or widower), or D. (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as completely as possible the occupation, trade, or profession of each alien, stating, as for example, Carpenter, stationary engineer, locomotive engineer, mining engineer, lace operative, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *artisan* and *laborer*, regardless of the amount of money a person may have in his pocket.

Laborer is one who cooperates with another, either for himself or others.

Artisan is one who works on a trade, be it the man who cooperates with another, or the man who cooperates with it.

Steamship companies should make this distinction on the manifests, and cattle dealers should be made to understand, by inspectors and registry clerks during the personal examination of aliens, as to their calling.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes or No, as an alien can read and write, No. No. can neither read nor write; or Yes. No. can read but not write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which immigrant claims citizen or subject.

Column 9. Race or people.—The entry in column 9 should show the race or people to which an alien belongs, as follows:

Special attention should be paid to the distinction between race and nationality, and both entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on many manifests should not be accepted as meaning "French" by race or people, and "Russia" appearing on many lists should not be accepted as meaning "Russian" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following-named countries should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuba, not Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the West Indies, North, Central, South America, Europe, or Africa. A Negro, with an American birth, should not the African Negro should be inserted under this heading.

ITALIAN NORTH.

The people who are native born of that portion of Italy north of the kingdom, the Papal States, and the departments of Umbria, Marches, Teramo, Aquila, Benevento, Campobasso, Caserta, Naples, Foggia, Bari, Lecce, Reggio di Calabria, Catanzaro, Cosenza, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Porto Maurizio, Cagliari, Sassari, and Nuoro, and to whom that designation should be assigned. Race, not nationality.

ITALIAN SOUTH.

The people who are native born of that portion of Italy south of the kingdom, the Papal States, the departments of Umbria, Marches, Teramo, Aquila, Benevento, Campobasso, Caserta, Naples, Foggia, Bari, Lecce, Reggio di Calabria, Catanzaro, Cosenza, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Porto Maurizio, Cagliari, Sassari, and Nuoro, and to whom that designation should be assigned. Race, not nationality.

Column 10. Last permanent residence.—An intended residence for a year had constitutes permanent residence. The information which accompanies the inquiries "Last permanent residence" and "Destination" is frequently misunderstood. The former refers to the last permanent residence of the alien before coming to the United States, and the latter to the intended permanent residence in the United States. It is important for statistical purposes that steamship companies furnish blanks which clearly distinguish between permanent residence and temporary residence, nationality, etc.

Aliens who are permanent residents of the United States and who are returning to their homes, should be recorded as from the United States, irrespective of the place where they may have been temporarily residing.

Column 11. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—Under this heading should be stated whether the alien has relatives or friends in the United States to whom he is going, and if so, the name and complete address of such relative or friend.

Column 12. Whether ever before in the United States, and if so, when and where.—Information under this heading should show whether the alien has been in the United States before, and if so, when and where.

Column 13. Whether a person previously deported, and if so, when and why.—The entry in column 13 should show whether the alien has been deported from the United States before, and if so, when and why.

Column 14. Whether in possession of $50, and if less than $50, how much.—The entry in column 14 should show whether the alien has in his possession at the time of inspection the amount of money required by law, and if less than $50, how much less.

Column 15. Whether in possession of railroad ticket to final destination, and if so, over what railroads.—The entry in column 15 should show whether the alien has a railroad ticket to his final destination, and if so, over what railroads.

Column 16. Whether having been in prison or almshouse or supported by charitable institution, and if so, which.—The entry in column 16 should show whether the alien has been in prison or almshouse or supported by charitable institution, and if so, which.

Column 17. Whether a member of any anarchistic organization.—The entry in column 17 should show whether the alien is a member of any anarchistic organization.

Column 18. Whether a polygamist.—The entry in column 18 should show whether the alien is a polygamist.

Column 19. Whether coming under contract or agreement to perform labor, and if so, what kind.—The entry in column 19 should show whether the alien is coming under contract or agreement to perform labor, and if so, what kind of labor.

Column 20. Whether an idiot.—The entry in column 20 should show whether the alien is an idiot.

Column 21. Whether deaf and dumb.—The entry in column 21 should show whether the alien is deaf and dumb.

Column 22. Whether blind.—The entry in column 22 should show whether the alien is blind.

Column 23. Whether a cripple, and if so, how.—The entry in column 23 should show whether the alien is a cripple, and if so, how.

Column 24. Whether otherwise physically or mentally defective.—The entry in column 24 should show whether the alien is otherwise physically or mentally defective.

Column 25. Whether under sentence of death or imprisonment for felony or other crime or misdemeanor, and if so, what crime.—The entry in column 25 should show whether the alien is under sentence of death or imprisonment for felony or other crime or misdemeanor, and if so, what crime.

Affidavit of Surgeon.

I, A. Vasc[illegible] M.[illegible], Surgeon of the ~~S.S. CRETIC~~ S.S. CRETIC SAILING THEREWITH (Name of other Surgeons sailing therewith, if employed by owners thereof, who may be), do solemnly, sincerely, and truly DECLARE that I have had 8 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of MRCS LRCP, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4. Age.—The return of age in column 4 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 5. Sex.—The entry in column 5 should be either M (male) or F (female).

Column 6. Married or single.—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7. Calling or occupation.—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Cabinetmaker, clerk, engineer, farmer, housekeeper, laborer, miner, painter, brass polisher, steel polisher, iron molder, wood turner, etc.; and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction is sought to be made between *farmer* and *farm laborer*, regardless of the occupation otherwise shown, as follows:

Farmer.—Owns or hires and operates a farm, either for himself or others.

Farm laborer.—Works on a farm for wages, but not for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8. Can read. Can write.—Column 8 is subdivided and the entries therein should be either Yes or No (Yes, can read; and write). Yes. No. can neither read nor write. Yes. No. can read but not write.

Column 9. Nationality.—Column 9 is construed to mean the country of which immigrant is a citizen or subject.

Column 10. Race or people.—The entry in column 10 should show the race or people as given in heading at top of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be corrected in respect to it by inspectors and registry clerks in this regard. For instance, "France" appears on a manifest as the nationality of a "French," "Irish," "Scotch," or "Welsh" race or people, and similarly "England" appears on a manifest as the nationality of a "French," "Irish," "Scotch," or "Welsh" race or people. "Germany" appears as the nationality of a "German," "Hebrew," "Polish," or "Bohemian" race or people. "Russia" appears as the nationality of a "Russian," "Finn," "Hebrew," or "Polish" race or people. "Turkey in Europe" appears as the nationality of a "Turk," "Hebrew," "Greek," "Armenian," or "Slavonian" race or people. "Austria-Hungary" appears as the nationality of a "German," "Hebrew," "Hungarian," "Bohemian," "Croatian," "Slovak," "Polish," "Dalmatian," "Ruthenian," or "Slovenian" race or people. "Sweden and Norway" appears as the nationality of a "Swede," "Norwegian," "Finn," or "Lapp" race or people. Aliens who are Irish, German, or Hebrew by race should properly be so entered, bearing in mind, however, that no matter what their race may be, if they are citizens or subjects of any country other than those mentioned the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, other islands of the West Indies, Central or South America, Europe, or Africa. An alien with an admixture of blood of the African Negro should be classed under the heading

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comparti-ments of Piedmont, Liguria, Venetia, and Umbria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the *country, dependency, or province* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 12 should give name and address of such relative. If no such relative has any, give name and address of friend.

Column 13. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place, city or town, and state of future permanent residence. Do not use the United States, country, or anything outside the United States.

Column 14. Whether having a ticket through from last starting point.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15. Whether in possession of $50 and by whom furnished if less.—The entry in column 15 should show definitely the amount of money in possession of alien at time of landing, whether he has $50 or more, or if less than $50 the amount of money he has, and by whom furnished. If he has less than $50 in his own possession, the sum of all moneys in possession of himself and those furnished him by others should be shown. Money in the hands of a guide should not be included among the several members of the family.

Column 16. Whether going to join a relative, and if so, what relative and where.—The entries in column 16 should show whether going to join relative in the United States, before and since the act of March 3, 1903, became a law.

Column 17. Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before and since the act of March 3, 1903, became a law.

Column 18. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—The entry in column 18 should show whether going to another relative or friend, and if so, what relative or friend, with name and complete address.

Column 19.—Five answers in these columns are subject to review by any inspector at any port in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4. Age.—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. Sex.—The entry in column 5 should be either M (male) or F (female).

Column 6. Married or single.—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7. Calling or occupation.—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, state navy engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, tailor, etc., and not simply as engineer, polisher, molder, turner, or other trade, its designation as

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who owns or rents a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should be notified that the elimination of the comments and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Column 8. Able to read or not.—Column 7 is subdivided and the column to each should be entered Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 9. Nationality.—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10. Race or people.—Section 2 of the manifest law requires that the race or people to which each alien belongs shall be shown on the list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully scrutinized by inspectors and registry clerks in this regard. For instance, a person "appearing to be affected by tuberculosis" should be a race or people, and not a nationality. Persons appearing to be mutilated, crippled, or deformed should be entered by individuals. An act which is both to assault or Hebrew by race might properly come under the heading of United Kingdom or some other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term Cuban refers to the Cuban people, not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies, other than Cuba, not Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Africa or the islands of the West Indies, North or South America, Europe, or Africa. Any admixture with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, should be classified as North Italian, whether coming from Italy, Switzerland, Austria-Hungary, or any other country. Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the Papal States, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian, south.

Column 11. Last permanent residence.—Any resident person who has lived in the United States for one year or more previous to his last permanent residence should be entered as a resident of the country in which he has lived during said one year, and not as a resident of the country from which he last emigrated. It is important for statistical purposes that the correct information as to a country of last permanent residence be obtained. Temporary residence, nationality, or race.

Aliens who are in permanent transit to the United States, i. e., who have a visé on their passport, should be recorded on manifests as United States for country of last permanent residence.

Column 12. Name and complete address of person to whom alien is going in the United States.—The entry in column 12 should give name, and address of such person. If going to a relative living, give name and address of such relative.

Column 13. Final destination.—Intending immigrants should be booked for their destination. An intention to remain a few days or weeks in a city en route to the place of permanent residence does not constitute the place of temporary residence the final destination. The entry in column 13 should be as nearly as practicable in accordance with the facts.

Column 14. Whether have a ticket, etc.—The entry in column 14 should be Yes (ticket) or No (no ticket).

Column 15. Whether passage paid by whom.—The entry in column 15 should be by whom passage was paid, as self, husband, father, mother, brother, sister, friend, steamship company, etc.

Column 16. Whether in possession of $50 and by whom furnished.—The entry in column 16 should be in each case as follows: If the alien has money, the amount, whether it is his own money or that of another, and by whom furnished. Money brought by husband, father, or other relative should be entered as belonging to the head of the family or to the person in charge of the family.

Column 17. Whether ever before in the United States and if so when and where.—The entries in column 17 should show whether alien was ever in the United States before and, if so, the time of his previous visit and place as nearly as possible.

Column 18. Whether going to join relative or friend and if so what relative or friend and where.—The entry in column 18 should show whether going to join husband, father, or other relative or friend, and if so, what relative or friend, with name and complete address.

General remarks.—The answers in these columns are subject to revision by an inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests and collectors should be made to see to it, by inspectors and registry clerks during the personal examination of aliens at dock.

Column 7 (Able to read or write).—Column 7 is subdivided and the entries therein should be either Yes (Yes—can read and write), No (No—can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which an immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should be one of the races or peoples given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Hebrew" is generally a racial designation (not necessarily mean "French" because a people and not a "French" speaking race), and should not necessarily mean "Hebrew" by nationality. An actor, who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, the other islands of the West Indies, Mexico, Central or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, or the compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy southof the basin of the River Po, or the compartimenti of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence for one year shall constitute permanent residence. The last country in which the alien resided with the intention of remaining a year or more, built up the last permanent residence regardless of length of actual residence therein. The entries in column 10 are to show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence and not confuse country of temporary residence, birthplace, etc.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of person to be joined in the country whence alien came).—The entry in column 11 should be name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Whether in possession of $50 and if not, how much).—The entry in column 14 should show whether each alien has in his possession at least $50 in money, or if less than $50, how much less. Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Can read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write); No—No, can neither read nor write); or Yes—No, can read but not write.

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly be returned under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Umbria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for a year shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 10 should show the *country* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Visitors who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country alien came from*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13. *Whether having ticket to such final destination.*—The entry in column 13 should be either "Yes—ticket" or "No—no ticket."

Column 14. *Whether in possession of $50 and if less, how much.*—The entry in column 14 should be either "Yes" or "No," as the case may be.

Column 15. *Whether going to join relative and name and address of such relative.*—The entry in column 15 should show definitely whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 16 (*Whether in possession of $50 and if less, how much*).—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. *Whether ever before in the United States and if so, when and where.*—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 18. *Whether coming to join husband, wife, father, mother, etc.*—The entry in column 18 should show whether going to join other relatives or friends, and if so, what relative or friend, with name and complete address.

Columns 19-21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming to for a temporary sojourn in the United States, but not intending to pass through, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). Column 7 is ruled and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality). Column 8 should be considered to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race or people and nationality, and manifests should be carefully revised by inspectors at ports of entry in this regard. For instance, French Canadians should not be recorded as natives of France, as French by race or people, and similarly, Jews, frequently appearing on the manifests as natives of Russia, necessarily mean natives of Russia by nationality. An alien who is a Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Island of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, and includes Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the name (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend). The entry in each case should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspector officer in the examination of aliens.

Affidavit of Surgeon.

I, Natale Salvatore, Surgeon of the Inspector, Lansing Through, do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 16 day of April, 1910

at Philadelphia

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4. Age.—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. Sex.—It is necessary that column 5 should be either M (male) or F (female).

Column 6. Married or single.—The entry in column 6 should be either M (married), S (single), W (widow), or D (divorced).

Column 7. Calling or occupation.—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, horse breeder, steel polisher, iron molder, wood turner, etc., and not simply as engineer, breeder, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money he may own, as follows:

Farmer.—One who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and connections should be made by the inspectors and registry clerks during the personal examination of aliens at ports.

Column 8. Able to read or write.—Column 8 is subdivided and the entries therein should be as follows: Yes (can read and write), No (can neither read nor write), or Yes, No (can read but not write).

Column 9. Nationality.—Column 9 should be construed to mean the country of which immigrant is citizen or subject.

Column 10. Race or people.—The entry in column 10 should show the race or people as given in listen to last preceding.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, Hebrews emigrating from different countries speak different languages. Even as to people and countries, "French," "German," and "Italian" indicate nationality rather than race. In addition, Negroes born in the United States, or in adjacent countries, should not be returned as natives of Africa, but as natives of the United States, or of such other country in America as they may have come from, and the same applies to persons of the Mongolian race. In this connection the following distinctions should be specially observed:

NEGRO.

The term Negro refers to the African people or their descendants.

WEST INDIAN.

West Indian refers to the people of the West Indies, other than Cuba, not Negroes.

SOUTH AMERICAN.

Spanish American refers to the people of Central and South America not of Spanish descent.

SOUTH AFRICAN.

South African refers to the African Negro who left his native country in Africa and afterwards in the West Indies, Central or South America, Europe, Asia, or elsewhere, acquired a domicile of choice in the African Negro should be considered under this heading.

ITALIAN.

The people who are native to the East Side River Po in northern Italy, or to the compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and the descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the line of the River Po and the compartimenti of Liguria, Lucania, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should be, as the case may be, Italy, Ireland, or France. (Last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifest as United States. The country of last permanent residence.

Column 12. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 12 should be name and address of such relative. It is not relative by blood or marriage, address of friend.

Column 13. Final destination.—Intended future permanent residence, city, or the final destination. No attempt is to be made to show contingent or remote possibility of future permanent residence. The entry in column 13 should show as near as the passenger can state the intended future permanent residence, even in the United States, country, if outside the United States.

Column 14. Whether having a ticket or paid passage.—The entry in column 14 should be either Yes (ticket or No (no ticket).

Column 15. Whether passage paid by.—The entry in column 15 should show definitely whether passage was paid by self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16. Whether in possession of $50 and if less how much.—The entry in column 16 should give in each case the actual amount of money shown. Money in the hands of the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States and if so when and where.—The entry in column 17 should show whether Yes or No in the United States before and if so the year or period of time and place, as 1890, New York.

Column 18. Whether going to join a relative or friend, and if so what relative or friend and his name and complete address.—The entry in column 18 should show whether going to join relative or friend and if so, what relative or friend, with name and complete address.

Column 19. The answers to these questions are to be yes or no, and in special cases as the examining officer may direct.

solemnly, sincerely, and truly Spea that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widower), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each adult at arrival, as for example: Civil engineer, stationary engineer, machinist, locomotive engineer, miner, engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and deputy clerks during the second examination of alien arrivals.

Aliens intending to pass through any part of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Column 9 (Able to read or write).—Column 9 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 10 (Nationality).—Column 10 should be so framed as to mean the country of which the alien is a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people as given in last or blank of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti or Piedmont, Lombardy, Venetia, and Liguria) and these only (states, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entries in column 12 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 15 (Whether having a ticket to such final destination).—The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid).—The entry in column 16 should show definitely by whom passage was paid, as self, husband, father, brother or other relative; friend; steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 19 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Stefano Giulio master of the INDIANA, from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying to children under 1 year of age.

Column 4 (Sex).—Under this column write M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widower) or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as farmer, laborer, clerk, cook, engineer, mason, carpenter, tailor, shoemaker, painter, blacksmith, merchant, seamstress, servant, etc. For example, a man who is a mechanic should not simply be returned as such, but should state whether he is a machinist, engineer, tanner, carpenter, brass polisher, steel polisher, stonemason, woodworker, etc., and not simply as carpenter, polisher, molder, turner, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and clerks at the ports of arrival.

Column 7 (Nationality).—Every person coming to the United States should be recorded under the head of the country of which he is a native, or, if he has become naturalized before coming, the country of which he is a citizen or subject.

Column 8 (Race or people).—The entry in column 8 should show the race or people, as given in the table at the head of this instruction.

Special attention should be paid to the distinction between the nationality and the race of each alien. For instance, a native of Ireland is a native of the United Kingdom of Great Britain and Ireland, but is generally classed as a Celt, or Irish. A native of Germany is a German, but may be of the Hebrew race. A native of Turkey in Asia is a Turk, but may be of the Armenian, Hebrew, Greek, Syrian, or other race. A native of Russia may be of the Hebrew, Finnish, Lithuanian, or other race. A native of Scotland is a Scotch, but may be of the Celtic race. A native of England is an Englishman, but may be of the Anglo-Saxon, Celtic, Hebrew, or other race. An alien whose birth occurs on a vessel at sea is classed according to the nationality of the vessel.

In connection with the foregoing instructions the following should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entries in column 10 should show the country, as a rule, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States, for country of last permanent residence.

Column 10 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 11 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 12 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 14 should show whether paid by whom passage was paid, as self, husband, father, brother or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894-9, Philadelphia.

Column 16 (Whether going to join husband, friend, or relative; name and address).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 29.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

I, [illegible] (State whether Master, First or Second Officer) of the INDIANA from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Married or single).—Opposite all entries in column 5 should be written M (married), S (single), W (widow), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe what each alien has been accustomed to do, or his occupation, trade, or profession, such as, for example, Clerk, merchant, shoemaker, engineer, carpenter, mason, painter, blacksmith, seamstress, housekeeper, weaver, tailor, etc. Do not simply write laborer, servant, boy, girl, farmer, or other indefinite description.

Any person who can read in any language should be classed as able to read, unless the examining officer has reason to believe that the person is literate in order to evade the provisions of the law.

Column 8 (If between 14 and 16 years, and can read).—Children between 14 and 16 years of age, who can read, should be so recorded in this column. Children under 14 years of age should not be recorded in this column, whether they can read or not.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write), No—No can neither read nor write), or Yes—No can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America (of Spanish descent).

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or from islands of the West Indies, South or South America, Europe or Africa. Any such with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the departments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intent to remain (regarding as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country*, and if in case of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence should be the final destination. An intended residence of one year shall constitute permanent residence. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Master, (Make whichever Master, First or Second Officer) of the INDIANA, from Naples, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 37 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show accurately the place (city or town) of intended future permanent residence, if will in the United States, country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1893; 97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 14 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Master of the INDIANA, from Naples, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba—not Negroes.

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK

"African black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town, if intended future permanent residence, if within the United States), country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket), or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-96, Philadelphia.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to (not from) a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 25, inc.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, [illegible] Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether employed "exclusively" or "principally" by transportation company interested herein, or "employed by ..." as the case may be.)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2. Age.—The return of age in column 2 should be expressed in years if 1 year or more, the latter applying only to those under 1 year of age.

Column 3. Sex.—The entry must be made to show whether Male (m) or Female (f).

Column 4. Married or single.—The entry is to be made to show whether Married, Single, Widowed, or Divorced.

Column 5. Calling or occupation.—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien, stating, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, worker, turner, or other indefinite designations.

A distinction should be made between *compos* and *non compos*, regardless of the amount of money shown, as follows:

Laborer.—Every male who cultivates the soil, either for himself or others.

Laborer.—Every male who works on a farm, either for himself or others.

Laborer.—Every male who works on a farm for others than an alien operator.

Laborer.—Every male who works on a farm for himself or others than an alien operator.

Steamship companies should make it their duty to call the attention of their agents and employees to the importance of the information called for by this column, and should make it necessary by inspection and registry clerks during the personal examination of each alien arriving.

Column 6. Can read or not.—Column 7 is subdivided and the entries therein should be either Yes. Yes can read, or write. No. No can neither read nor write, or Yes. No can read but not write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which an emigrant is a citizen or subject.

Column 9. Last residence.—See Section 37 on back of the manifest. The entry in column 9 should show the last permanent residence of each alien.

Special attention should be paid to the distinction between race and nationality, and nationality should be stated by inspection and registry clerks as follows, to wit:

Hebrew.—Hebrew is a race, and not a nationality. Hebrews may be of any nationality. As a race, also, Hebrew is to be distinguished from Semitic, Arabian, or Hamitic, under the heading of Hebrew, Negro, or any other race, if not of any nationality. In this connection the following distinctions should be specially observed:

ITALIAN.

The term "Italian" refers to the Italian people and Negroes.

ENGLISH.

"West Indian" refers to the people of the West Indies other than Italian and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Mexico and South American States, Negroes excepted.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, or direct from South America, Europe or Africa. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people whose native home is south of the Apennines and north of the River Po, in northern Italy, i. e., comprising the provinces of Piedmont, Lombardia, Venetia and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic or Ligurian language.

ITALIAN (SOUTH).

The people whose native home is that part of Italy south of the Apennines and the River Po, i. e., comprising the provinces of Liguria, Toscana, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence or domicile.—Aliens who have acquired a residence in some country other than that of their birth, and who have the intention to return to such residence, should be classed as having a permanent residence. The fact to enter in this column is the last permanent residence, regardless of length of actual residence in the United States. Evidences of domicile should show the intention to remain permanently. It is important for statistical purposes that steamship companies and others should keep clear of the permanent residence and place of country of temporary residence that aliens create.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as residents as United States for America, but permanent residence.

Column 11. Name and complete address of person or friend to whom immigrant is going.—The entry in column 11 should give the name and address of such person or friend. If no such relative, friend, or acquaintance, the fact should be stated.

Column 12. Final destination.—If intending immigrant intends to proceed to some point other than the final destination of the vessel, such point should be entered in column 12. The entry in column 12 should show not only the place, but the State, and, if practicable, the street and number, rather than the United States country, intended for the immigrant.

Column 13. Whether having a ticket through to final destination.—The entry in column 13 should be either Yes ticket or No ticket.

Column 14. Whether paid for by self or others.—The entry in column 14 should show definitely by whom passage was paid, as stated, last, father, brother, or other relative. Cash should never be entered.

Column 15. Whether in possession of $50 and if not, how much less.—The amount of money in possession of each immigrant should be carefully ascertained. Money in the form of drafts should not be included in the several amounts shown in the column.

Column 16. Whether ever before in the United States and if so, when and where.—The entry in column 16 should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of years and place or places of last visit.

Column 17. Whether going to join a relative or friend, and if so, what relative or friend, and name and complete address.—The entry in column 17 should show whether or not the immigrant has relatives or friends in the United States, and if so, what relatives or friends, and the name and complete address.

Column 18.—Answers in these columns are subject to review by any inspection officer in the examination of aliens.

Sworn to before me this [illegible] day of [illegible], 190 .

at NEW-YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2. The return of age in column 2 should be expressed in years or months, the latter as lying only to those under 1 year of age.

Column 3. The entry in column 3 should be either M (male) or F (female).

Column 4. Married or single. The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5. Calling or occupation. The entry in column 5 should record as accurately as possible the occupation, trade, or profession of each alien artisan, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, blacksmith, steel polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

Farmer. One who operates a farm, either for himself or others.

Farm laborer. One who works on a farm for the man who operates it.

Stenographers or typewriters should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 6. Can read or cannot read. Column 6 should be filled and the entries therein should be either Yes—Yes can read and write, No—No can neither read nor write, or Yes—No can read but not write.

Column 7. Nationality. Column 7 should be construed to mean the country of which the person is a native or citizen or subject.

Column 8. Race or people. The entry in column 8 should show the race or people to which each alien belongs.

Specific instructions should be issued to the discretion between race and nationality, and inspectors should be required to respect and regard clerks in this regard. For instance, Germans, Irish, Scotch, English, French, and Italians should be entered as such, and not as "Hebrew," "Russian," or "Turk," unless they belong to the Hebrew race, or are natives of Russia, Turkey, or Asia Minor, and are of that race or people. Persons who are natives of Great Britain should be entered as English, Scotch, or Irish, according to the fact, and not as Britons, unless they cannot be more specifically described.

CHINESE.

The term Chinese includes the Chinese people and Negroes.

CUBAN.

West Indian includes the people of the West Indies other than Cuban and Negro.

EAST INDIAN.

East Indian refers to the people of Continental South Asia, of Spanish descent.

ENGLISH.

All persons born in the United Kingdom of Great Britain and Ireland, including Scotch and Irish, or born in the British Colonies, should be entered as English, Scotch, or Irish, according to the statement of the person himself.

FINNISH.

The term Finnish includes the people of Finland, Russian Finns, and Finns from Sweden.

FRENCH.

The people who are native to the East of the River Rhine, in certain Swiss cantons, in parts of Piedmont, Lombardy, Venetia, and Dalmatia, and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or in other Country, should be entered as Germans, South.

GERMAN, SOUTH.

The people who are native to that portion of Italy south of the River Po, the compartments of Liguria, Tuscany, the Marche, Umbria, Lazio, the Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be entered as "Italian, south."

Column 9. Last permanent residence. An intended residence of one year or more constitutes permanent residence. The last country, geographical or political, in which the person has resided for one year or more, shall be the last permanent residence, regardless of length of visit elsewhere. The object of this column is to show the country from which the last permanent residence was acquired. It is important for statistical purposes that the last permanent residence be correctly stated. Where no country of last permanent residence, independent of country of birth, exists, enter "None."

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States. Persons who have never had permanent residence in the United States, but have resided in Canada, Mexico, Cuba, Porto Rico, or the adjacent islands for a long period of time, should be recorded as from the country of last permanent residence. The entry in column 11, "Ever in the United States before?" gives the information as to whether the alien has been in the United States before, and the relative length of time and address required.

Column 10. Final destination. Intended future permanent residence refers to the final destination. Aliens destined to interior cities should be required to state the name of the city, town, or village. Persons destined to New York City should be required to state the street address. Persons destined to points in the United States, other than New York City, should state the State.

Column 11. Whether ever in the United States before? and if so, when and where? The entry in column 11 should be either Yes—date and place—or No. Persons who have been in the United States before, even for a short time, should be required to state when and where they were last in the United States. Persons who have been in the United States before should be required to state when they last left the United States, and if they have been in the United States for a period of one year or more, they should be required to state the place of last permanent residence in the United States. Persons who have been in the United States before should be required to state when they last left the United States, and if they have been in the United States for a period of one year or more, they should be required to state the place of last permanent residence in the United States.

Column 12. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address. The entry in column 12 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 13. Ticket paid by whom? The entry in column 13 should show whether the ticket was paid by the alien himself, by a relative or friend, or by some other person or corporation, and if by a relative or friend, what relative or friend, and his name and complete address.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer) of the ITALIA, from Napoli, do solemnly, sincerely, and truly affirm, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). Specify the sex by the letter M for male and F for female.

Column 5 (Married or single). Specify by the letter M or S whether married or single. Widowed and divorced persons should be returned as single.

Column 6 (Calling or occupation). Specify as clearly as possible the occupation, trade, or profession of each alien, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money they may have.

Laborers are those who perform general or unskilled labor for themselves or others.

Clerks are persons employed in offices, stores, or warehouses, and the term should not be used to designate persons connected with the trades and professions.

Stress should be put on the importance of giving information in these columns full and correct as possible, as the same will be used by the immigrant inspectors at the ports of arrival in examining the aliens, and any erroneous statement may result in the detention of the alien for special examination before a Board of Special Inquiry. Such detention frequently causes much hardship and annoyance to the alien, and may result in his return to the country whence he came.

Column 7 (Nationality). Write the name of the country to which each alien belongs, as England, Ireland, Scotland, Wales, Germany, France, Italy, Spain, Portugal, Russia, Sweden, Norway, Denmark, Holland, Belgium, Switzerland, Austria-Hungary, Greece, Turkey, Syria, China, Japan, Mexico, Cuba, West Indies, Central America, South America, Australia, New Zealand, East Indies, Africa, and the like. Do not use such terms as "British," "European," "Asiatic," or "American." Specify whether "English," "Welsh," or "Scotch." Do not use the word "Russian" unless the person is a native of Russia proper, and not of Finland, Poland, Siberia, Caucasia, or other parts of the Russian Empire. Do not use the word "Austrian" unless the person is a native of Austria proper, and not of Hungary, Bohemia, Galicia, Croatia, or other parts of Austria-Hungary. Do not use the word "Turkish" unless the person is a native of Turkey proper, and not of Armenia, Arabia, Greece, Bulgaria, Servia, Montenegro, Roumania, Syria, or other parts of the Turkish Empire. Specify whether "Canadian," "Acadian," or "Nova Scotian" might properly come under the headings of French, English, Scotch, or other nationality. In this connection the following should be carefully observed:

ITALIAN RACES.

The people who are native to the kingdom of Italy are generally known as Italians, but persons born in certain districts of Italy are sometimes known as Venetians, and Tuscans, and Piedmontese, or as belonging to Piedmont, Switzerland, Austria, Hungary, or Trieste, and the country is sometimes referred to as "Italian Austria." Most of these people speak a dialect rather than the Tuscan language.

GERMAN RACES.

The people who are native to that part of Holy Roman Empire known as the German Confederation of Europe, Denmark, the Netherlands, Belgium, Switzerland, Austria, Hungary, Bohemia, Moravia, Galicia, Bukowina, Transylvania, Croatia, Slavonia, and Servia, and their descendants, should be described as Germans.

Column 8 (Last permanent residence). Write the name of the country in which each person has his home. The statements are to be made use of in the examination of aliens who may be detained for special inquiry, and should be the best guide as to the real intentions of the immigrant with regard to his future residence. Persons having relatives or friends in the country should state that fact, and the probability is that they will go to the place where such relatives or friends reside. Persons having no relatives or friends to go to, but having a definite purpose as to their place of residence, should state that fact. Persons having no definite purpose as to their place of residence should state that fact. Persons who are coming to join relatives or friends should state that fact, and the full address of such relatives or friends should be given.

Column 9 (Final destination). Write the name of the State and the city, town, or village in the United States where each alien intends to go. Do not write "New York" unless the alien intends to remain in the city of New York, but indicate the exact locality in the State where he is going.

Column 10 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address). Write "Yes" or "No," as the case may be, to show whether the alien has friends or relatives to join, and if "Yes" state the name, relationship, and complete address of such friends or relatives. Care should be taken to see that the answer to this question is full and explicit, as the decision of the inspection officer in the examination of aliens may depend upon the answer to this question.

[illegible]

Affidavit of Surgeon.

17

I, Natale Vilvatre, Surgeon of the [illegible] NA [illegible], [illegible] do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the records and connecting lists should be made, if necessary, by inspectors at registry desk during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is ruled to read and the entries therein should be either Yes or No. (Can read, but cannot write.) Not Yes can neither read nor write, or Yes or No can read but not write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which an immigrant is a citizen or subject.

Column 9. Race or people.—Specify races on each of these manifests. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and inaccuracies should be carefully revised by inspectors and registry clerks on board. For instance, France, speaking generally, does not necessarily mean French by race or people, and similarly, French, appearing obviously as nationality, does not necessarily mean France by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specifically observed:

AFRICAN

The term "African" refers to the Native people of Africa.

BLACK

"West Indian" refers to the people of the West Indies other than Cuba as to Negroes.

CENTRAL AMERICAN

"Spanish American" refers to the people of Mexico and Central America as to Spanish descent.

NEGRO, BLACK

"African (black)" refers to the African Negro. Natives of Cuba or other islands of the West Indies, Central or South America, Mexico or Africa, with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An entry of five years shall constitute permanent residence. The last country in which an alien resided with the intention of remaining as long as he or she shall be the last permanent residence regardless of length of actual residence thereto. The entries in column 10 should show the *country* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, etc., thus:

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend.—The entry in column 11 should give name and address of such relative living, give name and address of friend.

Column 12. Ultimate destination.—Intended, future permanent residence to be given. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show city or town, giving street address, if possible. Do not enter State only.

Column 13. Whether have a ticket through and final destination.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14. Whether in possession of $50 and by whom furnished if less.—The entry in column 14 should show whether the alien has in his possession at least $50 in money, or if less than $50 by whom passage was paid, as self, husband, father, mother, or other relative or friend, stating relationship, if any.

Column 15. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—The entry in column 15 should show whether going to join husband, father, mother, or other relative or friend, and if so, what relative or friend, and his name and complete address.

Column 16. Whether ever before in the United States, and if so, when and where.—The entry in column 16 should show whether ever before in the United States, and if so, when and where. Answers in these columns are subject to such examination and inspection officer in the examination of aliens may deem necessary.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—Indicate in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown to be in possession.

A *farmer* is one who owns or rents a farm, either for himself or others.

A *farm laborer* is one who works on a farm for others who operates it.

Stowaways discovered before vessel leaves dock should not be entered on the manifest, and corrections should be made if necessary by inspectors and record clerks during the personal examination of aliens at dock.

Aliens interned in ports in transit to the United States should be recorded under head of country where they "last permanently resided," but those who are detained in the United States for a temporary purpose while in transit should be classified as "temporary" under head of "country of last permanent residence."

Column 7 (Last permanent residence).—Columns 7 to 11 are to be filled and the entries therein should be either Yes (Y) or No (N), and not by the use of the word or letter.

Column 8 (Name of country).—Column 8 should be construed to mean the country of which native, and not country last resided in.

Column 9 (Race or people).—The entry in column 9 should describe the race or people as given, or left out blank by the alien himself.

Special attention should be paid to the distinction between race and nationality, and proper credit should be given by inspectors. Thus a Welshman is a Welsh man, a Scotchman a Scotch man, a Frenchman a Frenchman, a Spaniard a Spaniard, a Canadian a Canadian, a Dutchman a Dutch man, a Swede a Swede, a Norwegian a Norwegian, a Russian a Russian, a Finn a Finn, a Turk a Turk, a Hebrew a Hebrew, a Syrian a Syrian, a Bohemian a Bohemian, a Moravian a Moravian, a Slovak a Slovak, a Croatian a Croatian, a Dalmatian a Dalmatian, a Slavonian a Slavonian, a Ruthenian a Ruthenian, a Bulgarian a Bulgarian, a Servian a Servian, a Montenegrin a Montenegrin, a Roumanian a Roumanian, a Portuguese a Portuguese, a Hindu a Hindu, a Mongolian a Mongolian, a Chinaman a Chinaman, a Japanese a Japanese, a Corean a Corean, a Malay a Malay, a Polynesian a Polynesian, a Pacific Islander a Pacific Islander, a Filipino a Filipino, a Porto Rican a Porto Rican, a Cuban a Cuban, a West Indian a West Indian, a Central American a Central American, a South American a South American, a Mexican a Mexican, a Negro a Negro, a Mulatto a Mulatto, a Quadroon a Quadroon, an Octoroon an Octoroon, a Creole a Creole, a Gypsy a Gypsy, a Barbadian a Barbadian, a Jamaican a Jamaican, a Barbadian a Barbadian, a Jamaican a Jamaican, a Barbadian a Barbadian, a Jamaican a Jamaican

Laborers, engineers, brassfinisher, shoeworker, tailor, weaver, clerk, stenographer, typewriter, bookkeeper, salesman, merchant, dressmaker, milliner, servant, housekeeper, cook, waiter, barber, or other occupation should be clearly described.

Wife, unless herself a passenger, should be described as having no occupation.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the INDIANA, from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 4 (Sex).—The word to be entered should be either Male or Female.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe each person's occupation as definitely as possible, stating specifically what kind of laborer, for example. Do not enter "laborer," "factory hand," "servant," "clerk," or "farmer," but rather "shoemaker," "tailor," "weaver," "spinner," "cotton mill operative," "engineer," "machinist," "carpenter," or other definite description.

A distinction should be made between *farm laborers* and *farmers*, and the amount of property should be stated.

A *laborer* is one who works at coarse work for hire, either for himself or others.

A *farmer* includes only those who cultivate a farm, either for himself or others.

Skilled laborers should be described as such, and the nature of their skill stated.

Special attention should be paid to the correct description of persons returned as "no occupation," and the reason for the absence of occupation should be stated. Persons engaged in domestic duties should be returned as "housewife," "housework," or "housekeeper," as the case may be. Persons having no occupation, other than those dependent entirely upon others for support, should be returned as "none." Children going to school should be returned as "scholar." Persons who are engaged in gainful occupations, but are temporarily out of employment, should be returned as "laborer," "clerk," etc., as the case may be, and not as "none." Persons incapacitated for labor by reason of permanent illness should be returned as "invalid." Persons who are simply out of employment should not be returned as "invalid." Persons who are engaged in gainful occupations, but are temporarily out of employment, should be returned as "laborer," "clerk," etc., as the case may be, and not as "none." Persons incapacitated for labor by reason of permanent illness should be returned as "invalid." Persons who are simply out of employment should not be returned as "invalid."

Column 7 (Nationality).—Citizens of countries should be described by the name of the country, as "France," "Germany," "Sweden," "Norway," "England," "Scotland," "Ireland," "Wales," "Turkey," "Greece," "Spain," "Portugal," "Italy," "Switzerland," "Belgium," "Holland," "Denmark," "Russia," "Poland," "Bohemia," "Austria," "Hungary," "China," "Japan," "India," "Mexico," "Cuba," "West Indies," "Central America," "South America," "Australia," "New Zealand," or "Africa."

Column 8 (Race or people).—The entry in column 8 should show the race or people as follows: "English," "Scotch," "Irish," "Welsh," "German," "French," "Swiss," "Belgian," "Dutch," "Danish," "Norwegian," "Swedish," "Russian," "Finnish," "Polish," "Bohemian," "Slovak," "Moravian," "Austrian," "Hungarian," "Magyar," "Croatian," "Dalmatian," "Bosnian," "Herzegovinian," "Servian," "Bulgarian," "Roumanian," "Greek," "Turkish," "Armenian," "Syrian," "Chinese," "Japanese," "Hindu," "Mexican," "Cuban," "West Indian," "Central American," "South American," "Australian," "New Zealander," "African (Black)," "African (Negro)," "Indian," "Italian (North)," "Italian (South)," "Spanish," "Spanish-American," "Portuguese," "Hebrew," "Gypsy," or "Negro."

Special attention should be paid to the correct entry between the words "Hebrew" and "Negro," which should be carefully observed by inspectors. Persons of the Hebrew race are frequently returned by steamship companies as "Negro," which is entirely incorrect. Hebrew applies to a race, and not to color. Persons of the Hebrew race are frequently dark complexioned, and may be erroneously returned as Negroes. Please be careful. Another word frequently misused is "German." Germany is a country, and not a race. Persons born in Germany are frequently returned as "German," when they belong to one of the races mentioned above, and should be returned by that race. Persons born in Germany may be Germans by nationality, but belong to one of the races mentioned above, and should be returned by that race.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe or Africa. Any one who is of African birth or has an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and who are descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be returned as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, Abruzzi e Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia), and who should be classified "Italian (south)."

Column 9 (Last permanent residence).—The entry in column 9 should show the country of last permanent residence. It is important for statistical purposes that special care be taken to correctly show the country of last permanent residence of each person. Do not enter "America" or "United States" as the country of last permanent residence.

Column 10 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 10 should show the name and complete address of each person's nearest relative or friend in the country whence he came.

Column 11 (Final destination).—The entry in column 11 should show definitely the name and post-office address of the person to whom each alien is going, and the State to which he is destined.

Column 12 (Whether in possession of railroad or steamship ticket to such destination).—The entry in column 12 should be either Yes or No.

Column 13 (If not, whether in possession of sufficient money to pay expenses and reach destination).—The entry in column 13 should be either Yes or No. If the answer to column 12 is Yes, the answer to column 13 should be Yes. If the answer to column 12 is No, the answer to column 13 should be Yes or No, according to the facts.

Column 14 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 14 should show whether each alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 15 (Ever in prison or almshouse or supported by charity, and if so, what cause).—The entry in column 15 should show whether each alien has ever been in prison or an almshouse, or supported by charity, and if so, what cause.

Column 16 (Whether a polygamist).—The entry in column 16 should be either Yes or No. If the answer is Yes, the alien should be rejected.

Column 17 (Whether an anarchist).—The entry in column 17 should be either Yes or No. If the answer is Yes, the alien should be rejected.

Column 18 (Whether coming under contract or agreement to perform labor in the United States, and what kind of labor).—The entry in column 18 should be either Yes or No. If the answer is Yes, the alien should be rejected.

Column 19 (Whether a prostitute).—The entry in column 19 should be either Yes or No. If the answer is Yes, the alien should be rejected.

Column 20 (Whether coming for any other immoral purpose).—The entry in column 20 should be either Yes or No. If the answer is Yes, the alien should be rejected.

Column 21 (Whether ever before in the United States, and if so, when and where).—The entry in column 21 should show whether each alien has ever been in the United States before, and if so, when and where.

Column 22 (Whether ever before refused admission to the United States, or sent back at public expense, and if so, when and where).—The entry in column 22 should show whether each alien has ever been refused admission to the United States, or sent back at public expense, and if so, when and where.

Column 23 (Whether under contract or agreement to perform labor in the United States, and what kind of labor).—The entry in column 23 should show whether each alien is under contract or agreement to perform labor in the United States, and what kind of labor.

Column 24 (Whether in the United States or elsewhere).—The entry in column 24 should show whether each alien is in the United States or elsewhere.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only before the word "year" or "years."

Column 4 (Sex).—Enter in column 4 the word "Male" or "Female."

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as "laborer," "farmer," "servant," "tailor," "tailoress," "clerk," "cook," "physician," "editor," "author," "musician," "actress," "artist," "lecturer," "barber," "baker," "painter," "dressmaker," "seamstress," "milliner," "engineer" (state whether civil, mechanical, or mining), "miner," "butcher," "machinist," "carpenter," "joiner," "stonecutter," "stone mason," "bricklayer," "plasterer," "plumber," "glassblower," "tinsmith," "potter," "weaver," "lace maker," "upholsterer," or other handicraft. Do not use indefinite terms like "mechanic," "manufacturer," "dealer," "trader," "agent," "clerk," or "laborer" unless accompanied by a definite statement of the actual occupation.

Nothing is to be entered in this column between *farmer* and *laborer*, however, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm either for himself or others.

A *farm laborer* is one who works on a farm for the profit of another.

Scottish, Irish, and English miners should be distinguished from other miners, and such distinctions should be made, if necessary, by inspectors and registry clerks, during the primary examination of aliens arriving.

Where persons pass through and arrive at the United States bound for some point beyond the inspection district, the entry in column 6 should be the occupation at the last place of residence abroad, except that if such persons have been in the United States for a year or more and have changed their occupation, the occupation should be entered as at the last place of residence in the United States.

Column 7 (Nationality).—Opposite each individual name in column 7 should be entered the nationality of the people to which he belongs, as "English," "Irish," "Scotch," "Welsh," "German," "French," "Italian," "Spanish," "Portuguese," "Russian," "Polish," "Swedish," "Norwegian," "Danish," "Dutch," "Flemish," "Belgian," "Swiss," "Austrian," "Hungarian," "Bohemian," "Slovak," "Croatian," "Dalmatian," "Roumanian," "Greek," "Turkish," "Armenian," "Syrian," "Arabian," "Chinese," "Japanese," "Hindu," "East Indian," "Mexican," "West Indian," "South American," "Negro," "African (Black)," or "other nationality." No abbreviations will be permitted, and the use of the word "American" will not be sufficient to indicate the nationality of a native citizen of the United States, unless he has lost his citizenship by residence in a foreign country, in which case he should be so designated.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. Any person whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and these only, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and these only should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entry in column 8 will show the country and city or town of last permanent residence. Persons are presumed to intend a permanent residence in the country where they were born, unless they have lived, gone to school, and married elsewhere, and have children living there. Persons coming to the United States for the purpose of prostitution, or for any other immoral purpose, will be presumed to have their last permanent residence in the country from which they came to the United States.

Column 9 (Whether ever before in the United States, and if so, when).—Enter "Yes" or "No" as the case may be.

Column 10 (Whether can read).—The entry in column 10 should show whether the alien can read or not. The only way in which this can be ascertained is by actual test, unless the master, agent, owner, or consignee of the vessel by whom passage was paid for such aliens, or the commanding officer of the vessel, shall have indicated on the list or manifest the fact that such aliens can read.

Column 11 (Whether in possession of $50, and if less how much).—Enter the entry in column 11 opposite the name of each alien who has in his possession at the time of his arrival at the port of entry the sum of $50 or more, whether in money, drafts, or letters of credit. Any amount of money in excess of $50 possessed by any alien must be stated in column 11, and the fact that it is in excess of $50 must be indicated by the entry "Yes" in column 10. Where the amount possessed by any alien is less than $50, the exact amount must be stated in column 11. Where no money is possessed by any alien, the fact must be indicated by the entry "None" in column 11.

Column 12 (Whether going to join a relative, and if so, what relative and where).—The entry in column 12 should show whether the alien is going to join a relative in the United States, and if so, what relative and where.

Column 13 (Ticket through to).—The entry in column 13 should show the place to which the alien has a ticket, whether it be the place of his destination or not.

Column 14 (Whether having been in prison, etc.).—The entry in column 14 should show whether the alien has been in prison, or in an almshouse, or supported by charity, or a member of any of the classes excluded by law.

Column 15 (Whether going to join a husband, wife, father, grandfather, mother, grandmother, child, grandchild, brother, sister, uncle, aunt, nephew, niece, cousin, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepchild, stepbrother, stepsister, half brother, half sister, or guardian, and if so, what relative and where).—The entry in column 15 should show whether the alien is going to join a husband, wife, father, grandfather, mother, grandmother, child, grandchild, brother, sister, uncle, aunt, nephew, niece, cousin, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepchild, stepbrother, stepsister, half brother, half sister, or guardian in the United States, and if so, what relative and where.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter appearing only in the case of children under 1 year of age.

Column 4 (Sex). The entry in column 4 should be M for male or F for female.

Column 5 (Married or single). The entry in column 5 should be M for married, S for single, W for widowed, or D for divorced.

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, avoiding such indefinite terms as laborer, farmer, gentleman, engineer, clerk, etc. For example, a blacksmith, stonemason, cotton spinner, bricklayer, engineer, boiler polisher, steel polisher, steam fitter, weaver, etc., should be so specified, as should engineer, pointer, soldier, tinner, or other skilled occupation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown in each case.

A *farmer* is one who operates a farm, either his own land or others.

A *farm laborer* is one who works on a farm for some one who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made at necessary ports by inspectors, and at every station at the time of the physical examination of aliens on arrival.

Aliens including persons and families coming to the United States should be recorded under the head of occupation as to whether they are actual settlers or laborers coming to the United States to labor, or are traveling for pleasure, or in business, and should be classed as tourists or under similar description.

Column 7 (Able to read or write). Column 7 is subdivided into two parts, the entire therein should be either Yes or No, according to whether the alien can read or write, or Yes or No, as the case may be.

Column 8 (Nationality). Column 8 should be inserted to mean the country of which natives are citizens or subjects.

Column 9 (Race or people). The entry in column 9 should show the race or people to which each alien belongs, as follows:

Special care should be paid to the distinction between race and nationality, and natives of Ireland should be described as Irish, not English or Scotch. Persons coming from England, Wales, Scotland, or Ireland should be described as English, Scotch, or Irish, as the case may be, and not as Britons. Persons coming from Germany should be described as Germans, and not as Prussians, Bavarians, Saxons, etc. Persons coming from Austria-Hungary should be described as Austrians, Hungarians, Bohemians, Croatians, Slovenians, Dalmatians, Ruthenians, Slovaks, Transylvanians, Bukowinians, Dalecarlians, Moravians, Carniolans, Galicians, Poles, Croats, Slavonians, Herzegovinians, Magyars, Servians, Montenegrins, Roumanians, Saxons, Bosnians, Turks, Armenians, Albanians, Greeks, Italians, Spaniards, Portuguese, Mexicans, Japanese, Chinese, Hindus, Koreans, Negroes, Filipinos, Indians, Arabians, Syrians, Persians, Egyptians, Russians, Finns, Lithuanians, Norwegians, Swedes, Danes, Icelanders, Dutch, Flemish, Belgians, Swiss, French, Canadians, Canadians (French), Acadians, West Indians, Cubans, Porto Ricans, Scandinavians, Central Americans, South Americans, Australians, New Zealanders, Turkish Hebrews, Spanish Hebrews, German Hebrews, Polish Hebrews, Russian Hebrews, Hebrews (not specifying race), Syrian Hebrews, Arabian Hebrews, Irish, German, or Hebrew (as race or people), and such other races or peoples as may be necessary to add properly to describe the people coming to the United States from any other country by reason of nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and the provinces of Massa and Carrara, Apuania, Lucca, Pistoia, Florence, Pisa, Livorno, Grosseto, Siena, Arezzo, Perugia, Rieti, Rome, Viterbo, Aquila, Teramo, Ascoli Piceno, Macerata, Ancona, Pesaro, Urbino, Forli, Ravenna, Bologna, Ferrara, Rovigo, Padua, Treviso, Belluno, Udine, Venice, Verona, Vicenza, Rovereto, Trento, Sondrio, Como, Milan, Bergamo, Brescia, Cremona, Mantua, Pavia, Alessandria, Novara, Turin, Cuneo, Massa Marittima, Porto Maurizio, Genoa, Spezia, Caltanissetta, Girgenti, Trapani, Palermo, Catania, Messina, Siracusa, Reggio di Calabria, Catanzaro, Cosenza, Trapani, Palermo, Catania, Messina, Siracusa, Reggio di Calabria, Catanzaro, Cosenza, Sicily, and Sardinia, and their descendants, should be classed as "Italian north."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Abruzzi e Molise, Campania, Puglia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian south."

Column 10 (Last permanent residence). The entry in column 10 should show the country and place of last permanent residence. It is important for statistical purposes that every effort be made to show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States as to country of last permanent residence.

Column 11 (Native and complete address of immigrant relative or friend in country whence alien came). The entry in column 11 should give name and complete address of relative or friend in the native country of the alien immigrant.

Column 12 (Final destination). The entry in column 12 should be as definitely the place (city or town, if any) of final destination, if within the United States, as the country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom passage was paid). The entry in column 14 should be specifically by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much). The entry in column 15 should be given in each case in dollars and the exact amount of money shown. Money brought by the head of family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so when and where). The entry in column 16 should be Yes or No, according to whether the alien has been in the United States before, and if so, the year in which he last arrived and the place at which he landed.

Column 17 (Whether going to join a relative or friend, and if so what relative or friend, and his name and complete address). The entry in column 17 should show whether going to join a relative or friend, and if so what relative or friend, with name and complete address.

Column 18 (Condition). The entries in column 18 are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter appended to those under 1 year of age.

Column 5 (Sex).—The word "male" should be written "M," and the word "female" "F."

Column 6 (Married or single).—The word "married" should be written "M," and the word "single," "S," the word "widowed," "W," and the word "divorced," "D."

Column 7 (Occupation).—The entry should be "none" if the person has no occupation. Children should have the occupation of the parent entered, if any. Wives, unless they have an occupation other than housework, should be entered as "housework." Laborers, whether skilled or unskilled, should be described as such. Persons formerly engaged in any occupation, but not at present employed, should be described as "laborer," "servant," "seamstress," etc., according to the occupation followed when last employed.

A child or other person having no occupation, but going to join relatives or friends, should have the occupation of the person to whom he or she is going.

A farmer is a person who owns or rents a farm, or who is employed on a farm.

A laborer is a person who performs work of a rough character, requiring little or no skill.

Strong, robust persons should not be described as laborers, nor persons of feeble appearance as farmers.

Special attention is called to the necessity for the correct description of the occupations of all aliens, as the Immigration Act of February 20, 1903, excludes "persons likely to become a public charge," and it is important that the facts be ascertained in every case.

Aliens coming to join relatives or friends should have the name and complete address of the relative or friend whom they intend to join, and his relationship to the alien, entered in column 44. Aliens coming to the United States to settle in business should have the nature of the business and the place where it is to be carried on entered in column 7.

Special attention is called to the duty imposed upon masters, agents, and owners of vessels by section 8 of the Immigration Act of February 20, 1903, to report, at the time of the arrival of the vessel at a port of the United States, the names of all aliens who have been refused admission to the United States at any other port, and the cause for such refusal. Masters, agents, and owners of vessels who have not had such report delivered to them at the time of the arrival of the vessel at a port of the United States will be required to report the same to the Commissioner-General of Immigration, Washington, D. C., in writing, within forty-eight hours after the arrival of the vessel at such port, stating the cause for which such alien was refused admission to the United States, so far as known to the master, agent, or owner. Immediately upon the receipt of such report the Commissioner-General of Immigration will cause such inquiry to be made concerning the case as he may deem necessary, and will report the facts to the master, agent, or owner, who will be required to report the same to the steamship company on the other side, to be noted by the agent of the company there before permitting the alien to again embark for the United States. In the case of an alien rejected at a port other than a port of first arrival in the United States, the master, agent, or owner of the vessel bringing such alien to the United States will be required to return the alien to the port from which he came, at the expense of the vessel, and the master, agent, or owner will be liable to the penalty provided by section 8 of the Immigration Act of February 20, 1903, for failure to report, as above required, the case of any alien refused admission to the United States at any other port. In the case of an alien rejected at the port of first arrival in the United States the master, agent, or owner of the vessel will be required to report the case to the Commissioner-General of Immigration, Washington, D. C., in writing, within forty-eight hours after the arrival of the vessel at such port, stating the cause for which such alien was refused admission to the United States, so far as known to the master, agent, or owner. Immediately upon the receipt of such report the Commissioner-General of Immigration will cause such inquiry to be made concerning the case as he may deem necessary, and will report the facts to the master, agent, or owner, who will be required to report the same to the steamship company on the other side, to be noted by the agent of the company there before permitting the alien to again embark for the United States. 11-111

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widower), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, tailor, and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made if necessary by inspectors and Ellis Island clerks during the personal examination of aliens at arrival.

Aliens intending to pass through and out of the United States should be recorded under this head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and Ellis Island clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative, if no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 14 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer.) of the INDIANA, from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, statistician, mechanical or locomotive engineer, mining engineer, brass polisher, steel polisher, wood polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming for a temporary sojourn in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes (if can read and write) or No (if cannot read or write), or Yes (if can read) or No (if cannot read).

Columns 9–10 (*Nationality*).—Column 9 should be continued to mean the country of which immigrant is a citizen or subject.

Columns 11–12 (*Race or people*).—The entry in column 12 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at sea ports of debarkation. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people included. "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading "United Kingdom" or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 13–14 (*Last permanent residence*).—The entries in column 13 should show the *country of last permanent residence*. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country if outside the United States.

Column 14 (*Whether having ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 17 should show whether or not Yes or No, in the United States before, and if so, the year (or period of years) and place, as 1904, Philadelphia.

Column 18 (*Coming to join relative or friend, and his name and address*).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Corrections to be made.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, shoemaker, engineer (locomotive engineer), farmer, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—No (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which naturalized or citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, Germany, or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 (Last permanent residence).—The entries in column 10 should show the *country, not city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place (as, 1894–96, Philadelphia).

Column 18 (Going to join relatives or friend, and if so, what relatives or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North, South, America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. *Whether having a ticket to such final destination*.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place (as, 1891-97, Philadelphia).

Column 17 (*Whether coming to join a relative or friend, and if so, what relative or friend*).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18-19.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Master, of the INDIANA, from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe or Africa. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town, if to be) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to said final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not Yes or No, as the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers in these columns are subject to tests as to any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Salvatore Vitale, Surgeon of the INDIANA, sailing Sept 11th, (Make whether "Surgeon" sailing therewith, or "employed by owners thereof," as the case may be.) do solemnly, sincerely, and truly swear that I have had (14) years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Pennsylvania, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Vito Fio Giulio Master (State whether Master, First or Second Officer) of the INDIANA, from Naples, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing thereunder, the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—1116

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction, and the inspectors and registry clerks during the personal examination of aliens arriving.

Columns 7 and 8 (Can read and write).—Column 7 is subdivided, and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Last permanent residence).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race, as people are sometimes "French" appearing on a manifest because they are "from France" by nationality. An alien who is Irish, Scotch, or Welsh by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An alien who has resided one year shall constitute permanent residence. The last country in which alien resided with the intention to remain, regardless of length of actual residence thereon. The entries in column 10 should show the *country, and city, town, or village* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, race, locality, or place.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (the country of last permanent residence).

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city, town, or village) of intended future permanent residence, in which the United States, country, it exists be the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50 and if not, by whom sent).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where).—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place as 1903, Philadelphia.

Column 17 (Whether going to join relative or friend and if so, what relative or friend).—The entry in column 18 should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (Race).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Vitale Giulio Master, of the INDIANA, from Naple, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing herewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as laborer, for example. Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (*Able to read and write*).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (*Nationality*).—Column 9 should be construed to mean the country of which subject or citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and names recorded carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing once mistakes the nationality. "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (*Whether having a ticket to such final destination*).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (*Going to join relatives or friend, and if so, what relatives or friend*).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Voltolini Giulio Master of the Indiana, from Naples, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 58 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

. Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through as transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given to best on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and must be carefully revised by inspectors and registry clerks as required. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1894, 96, Philadelphia).

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Natale Salvatore, Surgeon of the INDIANA, Laifing Therewith, do solemnly, sincerely, and truly swear that I have had ten years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Government, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

CUBAN.

The term "Cuban" refers to the Cuban born Negro.

WEST INDIAN.

West Indian refers to people of the West Indies other than Cuban and Negro.

SPANISH AMERICAN.

Spanish American refers to the pure blooded and mixed Spanish Negro descendants.

AFRICAN (BLACK).

African (Black) refers to the African Negro, whether native of Africa, the British Islands of the West Indies, Central or South America, Europe, Asia, or elsewhere, and includes all descendants of the African Negro crossed by the Caucasian.

ITALIAN (SOUTH).

The people who are native born citizens of Italy or Italian subjects, natives of that portion of Italy lying south of and including the provinces of Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and the adjacent islands belonging to Italy, such as Pantellaria, Lampedusa, Linosa, Ustica, Egadi, Lipari, Stromboli, Vulcano, Salina, Alicudi, Filicudi, and Panaria, and all those persons commonly known as "Italians" or "Sicilians."

HEBREW (RACE).

For people who are not races in the generally accepted sense, but rather a congregation of persons drawn from many countries, the Bureau has adopted the term "Hebrew" as the most comprehensive designation available. Such persons may be found throughout all parts of Europe, Asia, Africa, and America, and even in China and Japan. Hebrews are frequently divided into two classes, Sephardim and Ashkenazim, the former being descended from the Hebrews who were driven out of Spain and Portugal in 1492 and 1497, and the latter from those who were driven out of Germany in 1348 and 1349. The Sephardim are generally of a distinct Semitic type, with dark hair and eyes, and are often of a high degree of intelligence and culture, and wealthy. They are found in Spain, Portugal, Holland, England, Germany, Austria-Hungary, Italy, Turkey, Greece, Egypt, Algeria, Tunis, Morocco, Gibraltar, the United States, Mexico, Central America, the West Indies, South America, China, Japan, India, Persia, Arabia, Palestine, Asia Minor, Turkestan, Siberia, Australia, New Zealand, and the Philippine Islands. The Ashkenazim are generally of a fair complexion, with blue eyes, and are usually found in poverty and in the lowest social scale. They are found in Germany, Austria-Hungary, Russia, Poland, Roumania, Turkey, Holland, Belgium, France, England, Ireland, Scotland, Wales, Scandinavia, Portugal, Spain, Italy, Greece, Switzerland, the United States, Canada, Mexico, Central America, the West Indies, South America, China, Japan, India, Persia, Arabia, Palestine, Asia Minor, Turkestan, Siberia, Australia, New Zealand, and the Philippine Islands.

When a Hebrew is asked his race or people, he should not state that he belongs to the Hebrew race, but should state the country from which he last permanently resided.

Column 10 (Nationality of race or people). Nationality of race or people should be entered in column 10. The term "Hebrew" should not be entered in column 10 as the nationality of any person.

Affidavit of Surgeon.

I, [illegible] Stamp, Surgeon of the [illegible] Salina Mercury, do solemnly, sincerely, and truly Swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the laws of the State of Kansas, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 16th day of [illegible], 190 ,

[illegible] Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should show for all persons as near as possible the occupation, trade, or profession of each alien arrived, as for example: Clerk, cheese factory employee, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and agents during the process of examination of aliens arriving.

Column 9 (Can read).—Column 9 should be checked to show whether or not each alien can read. Yes: Yes; can read. No: No; can not read. Yes: Yes; can read, but not write. No: No; can not read nor write.

Column 10 (Nationality).—Column 5 should be used instead to mean the country of which a person is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs. This column is printed on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and inquiries should be carefully noted by inspectors and agents making these records. The terms "Hebrew" appearing on manifests are not sufficient, as many "Hebrews" are not people, nationally. "Hebrew" appears to mean attested in a necessary degree to the Jewish religion. An Italian who is both Protestant and Hebrew by religious preference is, under the heading of United Kingdom, or any other country he may name. In the second column to the left, under the heading of race, he should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" embraces the people of the West Indies, not of African Negro [illegible]

SPANISH.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 4, Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5, Married or single.—The entry in column 5 should be either M (married or single), W (widowed), or D (divorced).

Column 6, Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, glass polisher, steel polisher, grain peddler, wood turner, etc., and not simply as engineer, polisher, peddler, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and commissioners should be made aware of the necessity by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7, Can read and write.—Column 7 (subdivisions one and two) requires that each alien should be either Yes—Yes (can read and write), Yes—No (can read but not write), or No—No (can neither read nor write).

Column 8, Nationality.—Column 8 should be construed to mean the country of which the alien grant is a citizen or subject.

Column 9, Race or people.—The entry in column 9 should show the race or people to which each alien belongs. This column should be carefully scanned by inspectors and registry clerks, and corrections made where necessary.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing as the nationality on a manifest does not necessarily mean that the race or people is of similarity. "French" appearing as the race or people does not necessarily mean "France" as the nationality. An alien who is Irish, German, or Hebrew by race might possibly come under the heading of United States in the nationality column, but in this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban and Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America, Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, European or African, or with admixture of blood of the African Negro, should be classified under this heading.

ITALIAN NORTH.

The people who are native to the north of the River Po, northern Italy, i. e., can-tonments of Piedmont, Lombardy, Venetia, Julian Province, and those districts which, although residing in Italy, Switzerland, Austria-Hungary, or some other country, should be classed as "Italian, north." Most of these people speak a dialect of the French language.

ITALIAN SOUTH.

The people who are native to that portion of Italy south of the River Po, i. e., the cantonments of Liguria, Tuscany, the Marches, Umbria, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants. Do not classify as "Italian, north."

Column 10, Last permanent residence.—All aliens, including those coming from contiguous territory, should be questioned as to their last permanent residence. The object of this question is to ascertain whether the alien has been living for a long period in some foreign country, or whether he has been living in the United States, and has only gone to the foreign country for a visit or temporary sojourn. Particular attention should be paid to the answers to this question in the case of aliens returning after a visit abroad, to ascertain whether they have been guilty of entering into any contract or agreement to perform labor in the United States, which is now unlawful.

Column 11, Destination.—Every alien should be questioned as to the State in which he intends to reside. The object of this question is to ascertain whether the alien has any friends or relatives in the United States to whom he is going, and if so, whether he intends to reside permanently with them or only for a short time. Particular attention should be paid to the answers to this question in the case of aliens who intend to reside in the United States, as many of them have only a certain amount of money when they arrive, and if they intend to settle in a locality where living is high, they will soon become a burden upon the community. If they intend to settle in a locality where living is cheap, they will be able to support themselves for a long time.

Column 12, Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—Particular attention should be paid to the answers to this question, as it will frequently develop the fact that an alien is coming to the United States to join some relative or friend who has previously gone to the United States for the purpose of securing employment for the alien. Frequently the relative or friend who has gone to the United States has secured employment for the alien, and has sent him a ticket or money with which to purchase a ticket. Such aliens are likely to become public charges, and should be excluded.

Column 13, Whether have a ticket through to final destination.—An alien should not be admitted to the United States unless he has a through ticket to his final destination. Any alien who has not sufficient money to purchase a through ticket to his destination should be questioned as to the means by which he intends to reach his destination. He may say that he has friends who will purchase a ticket for him, or that he has money in a bank or express company, or that he has a draft which he will cash after he arrives at his destination. Inspectors should be careful to see that the alien has sufficient money to purchase a ticket to his destination, and that he has the ticket before admitting him to the United States.

Column 14, Whether in possession of $50 and if not, how much less.—Every alien should be questioned as to the amount of money he has in his possession, and the question should be answered by what passage was paid, whether by himself, friends, relatives, or charitable societies, and by what means he has been supported during his journey.

Column 15, Whether ever before in the United States, and if so, when and where.—The object in asking this question is to ascertain whether the alien has been in the United States before, and if so, when he left and where he went. Many aliens who have been in the United States before, and have been compelled to leave on account of sickness or other causes, return to the United States after a short visit abroad, and are entitled to admission. Particular attention should be paid to the answers to this question in the case of aliens who have been in the United States before, and have been deported on account of being paupers or likely to become public charges, and who return to the United States after a short visit abroad. Such aliens are liable to be excluded and deported.

Column 16, Whether ever in prison or almshouse or supported by charity.—Particular attention should be paid to the answers to this question, and if the alien has been in prison, almshouse, or supported by charity, he should be excluded.

Affidavit of Surgeon.

I, William Stump, Surgeon of the F. L. Newyork sailing thereunto, do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Laws of the State of Newyork, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 3. in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thomas J. Turner, Chief Officer, of the S.S. "New York" (State whether Master, First or Second Officer.) from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thomas J. Turner
Officer.

Sworn to before me this 16th day of April, 1906.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Line No. — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex. — The entry in column 2 should be either M (male) or F (female).

Column 4. Married or single. — The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5. Calling or occupation. — The entry in column 5 must describe as accurately as possible the occupation, trade, or profession of each person named, as for example: Carpenter, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer. — Some one who operates a farm, either for himself or others.

Farm laborer. — One who works on a farm, under the management of the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examination of alien arrivals.

Column 6. Can read and write. — Column 6 is solid ruled and the entries therein should be either Yes or No. Yes — can read and write. No — Can neither read nor write. Or Yes — Can read but not write.)

Column 8. Nationality. — Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9. Race or people. — The entry in column 9 should show the race or people as indicated on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and heading should be carefully revised by inspectors and registry clerks in Washington. For instance, "France" appearing on a manifest does not necessarily mean a French (Latin) race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, not Spanish, by race.

AFRICAN (BLACK).

"African (black)" refers to the native African Negro, whether coming from Central, other countries of the West Indies, North or South America. The term "African" when used with reference to the African Negro should be limited to not more than one generation.

ITALIAN (south).

The people who came originally from the basin of the River Po in northern Italy, and who are physically, intellectually, and socially superior to the Italians of Southern Italy, Sicily, and Sardinia, and their descendants, and who have come principally from Piedmont, Lombardy, Venice, Tuscany, Emilia, and other provinces in the valley of the Po, should be classed as "Italian (north)."

ITALIAN (south).

The people who came originally from the Kingdom of Naples, the Papal States, Tuscany, and the provinces of Liguria, Piedmont, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10. Last permanent residence. — An intended future permanent residence should not be entered. The entry in column 10 should show the last permanent residence of the alien previous to embarkation. Where the intention to reside permanently in the United States is stated, the entry in column 10 should show the place in the United States where such intention is to be carried out. Where no permanent residence in the United States is intended, the entry in column 10 should show the last permanent residence in the country whereof the alien is a citizen or subject, as "Italy, Rome," "Germany, Berlin," "Russia, Moscow," "Ireland, Cork," "England, London," "Scotland, Glasgow," "Sweden, Stockholm," "Norway, Christiania," "Hungary, Buda-Pesth," "Austria, Vienna," "Switzerland, Berne," "France, Paris," "Spain, Madrid," "Portugal, Lisbon," "Greece, Athens," "Turkey, Constantinople," "Japan, Tokio," "China, Pekin," "Mexico, City of Mexico," "Cuba, Havana," "Haiti, Port au Prince," "Santo Domingo, Santo Domingo," "Colombia, Bogota," "Venezuela, Caracas," "Brazil, Rio Janeiro," "Chile, Santiago," "Argentina, Buenos Ayres," "Uruguay, Montevideo," "Paraguay, Asuncion," "Peru, Lima," "Ecuador, Quito," "Bolivia, La Paz," "Central America, Guatemala," "Honduras, Tegucigalpa," "Salvador, San Salvador," "Nicaragua, Managua," "Costa Rica, San Jose," "Panama, Panama."

Aliens who are permanent residents of the United States and who are returning from abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 11. Name and complete address of person in country whence alien came. — The entry in column 11 should be the name and address of the person who paid the passage of the alien, or who had the means and intention of supporting the alien upon arrival, and with whom the alien intended to live. In the case of relatives, the exact name and address should be stated.

Column 12. Destined to (State and city). — Intending permanent residents should write in full the name of the State to which they intend to go, and the name of the city, town, or village in which they intend to reside. Aliens who have been admitted to the United States, and who are returning to their homes in the United States, should write the name of the State to which they belong.

Column 13. — Where the alien has a ticket through to destination, the entry in column 13 should be either Yes or No, as the case may be.

Column 14. Whether having been in the United States previously; if so, when and where. — The entry in column 14 should show whether the alien has been in the United States previously, and, if so, when and where. Where the alien has been in the United States previously, but the exact dates are unknown, the entry should show the approximate time, as "about 1900," "about 1902," "about 1904," etc.

Column 15. Whether going to join a relative or friend, and, if so, what relative or friend, and his name and complete address. — The entry in column 15 should show whether the alien has relatives or friends in the United States, and, if so, what relatives or friends, and their names and complete addresses. Money brought by the alien to the United States should be classified as "Money in own possession" or "Money to be sent for by friends."

Column 16. Whether in possession of a ticket to final destination, and whether any part of passage paid for by the alien himself or herself. — The entry in column 16 should show whether the alien has a ticket to final destination, and whether any part of the passage was paid for by the alien himself or herself. Where the passage was paid for by the alien himself or herself, the amount should be stated.

Column 17. Whether in possession of $50 and if not, how much money he has. — The entry in column 17 should show whether the alien has $50 in his possession, and, if not, how much money he has. Money brought by the alien to the United States should be classified as "Money in own possession" or "Money to be sent for by friends."

Column 18. Whether ever before in the United States, and if so, when and where. — The entry in column 18 should show whether the alien has been in the United States previously, and, if so, when and where. Where the alien has been in the United States previously, but the exact dates are unknown, the entry should show the approximate time, as "about 1900," "about 1902," "about 1904," etc.

Column 19. Whether a person who has been in prison or in almshouse or an asylum, or supported by charity. — The entry in column 19 should show whether the alien has been in prison, in almshouse, in an asylum, or supported by charity, and, if so, when and where.

Column 20. Whether a polygamist. — The entry in column 20 should show whether the alien is a polygamist, or one admitting belief in the practice of polygamy.

Column 21. Whether an anarchist. — The entry in column 21 should show whether the alien is an anarchist.

* An intended residence or the word "Visit" are not sufficient answers. The last country specified in answer to this question will be held as the "Country whence alien came." The answer "United States" to this question will be held sufficient only when the alien is a native-born citizen. The "Race or People" is to be determined by the race or people to which each alien belongs when coming to the United States. Specific races will be required, even where the immigrant is a citizen or subject of a country containing but one race.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos. J. Turner, Chief Officer, of the NEW YORK, from [illegible], do solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in each column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien artisan, laborer, or professional person. Use such terms as "Stationary engineer," "locomotive engineer," "mining engineer," "brass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

No distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer.—One who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm, for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made if necessary, by inspectors and registry clerks during the period of examination of aliens on arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which a immigrant is a citizen or subject.

Column 9. Race or people.—The entry in column 9 should show the race or people as given on last page of this manifest.

Special attention should be paid to the distinction between race and nationality, and instructions should be carefully observed by inspectors and registry clerks in this regard. For instance, "Hebrew" appearing on a manifest does not necessarily mean "French," "German," or people similarly "Hebrew," appearing on a manifest does not necessarily mean "France" or "Germany" nationality. An alien who is a Jew, German, or Hebrew by race should properly be marked "Hebrew" regardless of whether his last permanent residence was in France, Germany, Great Britain, Russia, Turkey in Europe, Austria-Hungary, Roumania, Portugal, Spain, Italy, or any other country in Europe, Asia, or Africa. Under the head of "Nationality" the following distinctions should be specifically observed:

CUBAN.

The term "Cuban" refers to the white people of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, but not Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central America, and South American or Spanish is self-explanatory.

NEGRO—BLACK.

"Negro—black" refers to all Negroes, whether born in the United States, the West Indies, Central America, South America, Europe, Africa, or elsewhere, and all persons of color in the United States, Mexico, Cuba, and the West Indies.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the latitude of Rome, including the departments of Liguria, Lucania, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, as follows: [illegible] should be crossed [illegible] through.

Column 10. Last permanent residence.—The full name of the country of last permanent residence. The abbreviations in common use will be allowed. The entry in this column should be the same as the entry in column 11 in the case of all persons who have not acquired a permanent residence elsewhere. In the case of those who have acquired a permanent residence elsewhere, the entry in this column should show the country in which such permanent residence was acquired. [illegible] need not be filled in [illegible].

Aliens who are returning to the United States after having been naturalized should be credited to the country where they have resided since naturalization.

Column 11. Name of [illegible].—The entry in column 11 should show the name of the [illegible] in which the alien last resided.

Column 12. Destined to.—The entry in column 12 should show the name of the city, town, or village of the State of the United States to which the alien is destined.

Column 13. Have you a ticket [illegible]?—The entry in column 13 should be Yes or No, as the fact may be.

Column 14. Whether in possession of $50 and upwards, or how much less than $50.—The entry in column 14 should be Yes or No, as the fact may be. Money orders, drafts, and letters of credit should be regarded as money.

Column 15. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—The entry in column 15 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address. [illegible] should be the head of the family, [illegible] should be stated.

Column 16. Whether ever in prison or almshouse, or supported by charity, and if so, which.—The entry in column 16 should be Yes or No, as the fact may be. If the alien has been in prison, the entry should show the length of time and the cause. Mere detention by the immigrant authorities for examination should not be regarded as imprisonment.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of State of New York Laws of the, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 21 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. J. Turner, Chief Officer, of the S. S. New York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chief Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year or more constitutes permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show, as nearly as practicable, the place (city, town, or village) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having ticket through to final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 14 should show whether by whom passage was paid, as such husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much). The entry in column 15 should give in each case individual or family the exact amount shown. Money brought by the head of a family should not be included among the sums carried by members of the family.

Column 16 (Whether ever before in the United States and if so, when and where). The entries in column 16 should show whether (yes or no) in the United States before and if so, the year (or period) when and place (as "1894, Chicago").

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address). The entry in column 17 should show whether (yes or no) going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (Ever in prison or almshouse or supported by charity, and if so, which and why). The answers in these columns are subject to inquiry by the immigrant inspector on duty in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. J. Turner Chief Officer of the S. S. New York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 18 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. — Age. The return of age in column 3 should be expressed in years; months, the latter appearing only to those under 1 year of age.

Column 5. — Sex. The entry in column 5 should be either M. male) or F. (female).

Column 6. — Married or single. The entry in column 6 should be either M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 7. — Calling or occupation. The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, and as far as practicable, whether skilled, semi-skilled, or unskilled. Persons formerly engaged in any of the learned professions, as well as persons following any mercantile pursuit, should be carefully distinguished from laborers, artisans, mechanics, and servants. Do not return as laborers persons who have been clerks, bookkeepers, merchants, manufacturers, etc., and do not simply write "engineer," "mechanic," "laborer," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money each may own, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Columns 9, 10, and 11. — Can read. Can write. Can both read and write. Column 9 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No No can neither read nor write. Yes No can read but not write.

Column 8. — Nationality. Column 8 should be construed to mean the country of which alien is a citizen or subject.

Column 12. — Last permanent residence. The entry in column 12 should show the most permanent residence of alien, as far as ascertainable, in the United States, regardless of the length of time he may have been in the United States.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors at ports of entry and registry clerks. Thus, the term "Hebrew," appearing on a manifest does not necessarily mean a Jewish race, but may refer to people of any nationality. The term "Irish" appearing on a manifest does not necessarily mean a native of Ireland, but may refer to a native of Great Britain, who has been naturalized in the United States. Again, the term "Scotch" does not necessarily mean a native of Scotland, but may refer to a native of Great Britain, who has been naturalized in the United States. Again, the term "German" does not necessarily mean a native of Germany, but may refer to a native of Austria, Russia, or other country. In the second section the following terms should be specifically defined:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America, not Spanish or Negro.

NEGRO.

"Negro" refers to the African Negro, whether native, born in the United States, West Indies, South America, Europe, or Africa. A native African Negro is a native

Affidavit of Surgeon.

I, Wm Stumpf, Surgeon of the U.S. New York Sailing Thesewith, do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 17 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, G. J. Garnet Chief Officer, of the S. S. New York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 17. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

G. J. Garnet
Chief Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4.—The return of age in column 4 should be expressed in years only. The instructions apply only to those under 1 year of age.

Column 5.—Precisely the same rule should be observed here that Male or Female.

Column 6. Married or single.—The entry in column 6 should show whether Married, Single, Widowed, or Divorced.

Column 7. Calling or occupation.—The entry in column 7 should show the occupation, trade, or profession of each alien, as far as practicable, at the time of his arrival, as for example: Clerk, engineer, stationary engineer, machinist, carpenter, mining engineer, house painter, steel worker, iron molder, wood turner, cabinetmaker, printer, bricklayer, farmer, or other mechanic or laborer.

A distinction should be made between *compositor* and *typesetter*, regardless of the amount of money shown as follows:

Compositor.—One who operates a linotype or other composing machine.

Typesetter.—One who sets type with fingers from the cases which are distributed by the same person.

Steamship companies should make this distinction on the manifests, and carried forward, and if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Column 8. Can read? Can write?—Column 8 is subdivided and the entries therein should be either Yes or No. Can read and write. No. Can read but not write. Yes. No. Can read, but not write.

Column 9. Nationality.—Column 9 should be examined to insure the correctness of which subsequent questions will be answered.

Column 10. Race or people.—The entry in column 10 should show the race or people to which each alien belongs, as for example: English, Irish, Scotch, German, French, Italian, Spanish, Portuguese, Russian, Polish, Finnish, Hebrew, Bohemian or Moravian, Magyar, Dalmatian, Croatian, Servian, Lithuanian, Greek, Roumanian, Slovak, Ruthenian (Russniak), Armenian, Bulgarian, Turkish, Syrian, Negro, Chinese, Japanese, Indian, or other race or people, as the case may be.

A distinction should be made between Hebrew, Jewish, and Israelite, as follows:

Hebrew.—One who practices a little or other form of charity to others.

Jewish.—One who belongs to the Jewish race, regardless of his religious belief.

Israelite.—One who professes the Mosaic faith or the faith which professes it.

Steamship companies should make this distinction on the manifests and carried forward, and if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Column 11. Last permanent residence.—Column 11 is subdivided and the entries therein should be either Yes or No. Yes, can read and write. No. No, can neither read nor write. Yes. No, can read, but not write.

Column 12. Name of country.—Column 12 should be examined to insure the correctness of which subsequent questions will be answered.

Column 13. Race or people.—The entry in column 13 should show the race or people to which each alien belongs, as for example: English, Irish, Scotch, German, French, Italian, Spanish, Portuguese, Russian, Polish, Finnish, Hebrew, Bohemian or Moravian, Magyar, Dalmatian, Croatian, Servian, Lithuanian, Greek, Roumanian, Slovak, Ruthenian (Russniak), Armenian, Bulgarian, Turkish, Syrian, Negro, Chinese, Japanese, Indian, or other race or people, as the case may be.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest should not necessarily mean French, but may mean Negro, similarly "Ireland" appearing on a manifest should not necessarily mean Irish, but may be Hebrew. An alien who is both Hebrew and Negro by race might properly be described under the laws of United Kingdom or any other country by either term. In the case mentioned the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

MEXICAN.

"Mexican" refers to the people of Mexico, whether Negro, Indian, or other race, born in Mexico or other countries, but does not include Spanish, West Indian, South American, European, or Asiatic, with the exception of the Mexican Negro, who is described under the heading

ITALIAN NORTH.

The people who are native to that part of Italy which comprises the provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, Tuscany, Umbria, Marches, and Rome, including the Provinces of Aquila, Teramo, Campobasso, Caserta, Naples, Benevento, Avellino, Salerno, Potenza, Catanzaro, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Cagliari, Sassari, and Porto Maurizio, and those who emigrate from these provinces, are classified as Italian North.

ITALIAN SOUTH.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Chief Officer, of the S. S. New York, from Southampton

(Strike out whether Master, First or Second Officer.)

solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Chief Officer.

11—1119

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, or state if outside the United States.

Column 13. Whether having a ticket to final destination.—The entry in column 13 should be either Yes—ticket, or No—no ticket.

Column 14 (Residence—as passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15. Whether in possession of $50, and if less, how much.—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided or counted by several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not Yes or No as the United States before, and if so, the year or period of years and place, as 1894, N. Y., Phila., etc.

Column 18 (Ever in prison or almshouse or supported by charity, and if so, where and why).—The entry in column 18 should show whether going to join another relative or friend, and if so, what relative or friend, with name and complete address.

Column 19.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1119

Affidavit of Surgeon.

I, Wm Clamp, Surgeon of the U. S. Rev Cutter Service, Sailing therewith, (State whether Surgeon or Assistant Surgeon, and if employed by Department or Bureau only so.) do solemnly, sincerely, and truly swear that I have had 14 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York. ——————, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 6 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Purser & Chief Officer, of the S. S. New York, from Southampton, do solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should ascribe as accurately as possible the occupation (trade, or profession) of each alien arrival, as for example: Carpenter, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entry therein should be either Yes or No. Yes (can read and write), Yes (can neither read nor write), Yes (can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9. Race or people.—The entry in column 9 should show the race or people alleged in each list or manifest.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing as a nationality does not necessarily mean "French" by race or people, and similarly, "German" appearing on a manifest does not necessarily mean "German" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, Germany, or other country as to nationality. In this connection the following distinctions should be separately observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of Spanish descent.

AFRICAN BLACK.

"African black" refers to the African Negro, whether a native, or coming from one of the West Indies, Central South America, Europe, or Asia. You are not to write "Negro" under "Race or People," but to use the terms "African black" or "West Indian," as the case may be.

ITALIAN, NORTH.

The people who are native to the basin of the River Po, or to northern Italy, comprising the compartimenti of Liguria, Toscana, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, north."

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the northern line of the compartimenti of Liguria, Toscana, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Country of last permanent residence.—An intended resident alien should write the name of the country in which he has had a permanent residence. The last country in which he has resided (with the intention of remaining) for one year shall be the last permanent residence regardless of length of actual residence thereon. The entry in column 10 should show the country, not the city, town, or locality of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country to which nationality attaches.

Aliens who are permanent residents of the United States and are temporarily abroad, should be recorded on manifests as United States as country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence he came.—The entry in column 11 should give the name and complete address of some relative living in the native land of the alien.

Column 12. Final destination.—Intended future permanent residence should be the final destination. An intention to become a citizen constitutes permanent residence. The entry in column 12 should show the city, town, or locality in the United States to which the alien is destined, or, if he will remain in the United States, the State. If destined to some place in the United States, but not to remain there permanently, write "Passing through" the State to which destined. If destined to a place outside the United States, write the name of the country.

Column 13. Whether having a ticket to final destination.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14. Whether the money with which he landed was sent to him by friends, or was his own, and amount.—The entry in column 14 should show whether the money with which the alien landed was sent to him by friends, or was his own, and the amount. Money brought by the head of a family should not be divided among the several members of the family.

Column 15. Whether ever before in the United States, and if so, when and where.—The entry in column 15 should show whether alien has ever before been in the United States, and, if so, the date of the last previous visit and place of residence. Please note this.

Column 16. Whether going to join a relative or friend, and if so, what relative or friend, and what is his complete address.—The entry in column 16 should show whether the alien is going to a relative or friend, and, if so, what relative or friend, with name and complete address.

Column 17. Ever in prison, etc.—The answers to these questions are only to be entered as yes or no.

Affidavit of Surgeon.

I, Wm Stump, Surgeon of the S. S. New York, Sailing thereunto, do solemnly, sincerely, and truly Swear, that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, J. J. Turner 2d Officer of the S. S. New York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe, accurately as possible, the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *seamen* and *raw laborers*, regardless of the amount of money shown, as follows:

Laborer.—A person who cooperates in kind, either for himself or others.

Employee.—A person who works on a farm for the man who operates it.

Steamship companies should strike this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens.

Column 7. Able to read and write.—Column 7, or subdivision a of the entries therein, should be either Yes (Yes can read and write) or No (No can neither read nor write), or Yes (No can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which a immigrant is a citizen or subject.

Column 9. Race or people.—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality and engineers should be carefully revised by inspectors at ports of entry and registry clerks at interior ports. For instance, "Ireland" as previously required to be entered as nationality should be changed to race or people, and similarly "Turkey" appearing in the instances in which Armenians emigrate from Turkey to nationality. An alien who is Irish, German, or Hebrew by race ought properly to be returned under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CELTIC.

The term "Celtic" refers to the Celtic people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Celtic and Negro.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, for the purpose of this return, should be recorded as a native of the United States for emigrants of that nationality, and as a native of the country from which he comes when an alien.

HEBREW.

The people who are native to the barren, rocky, mountainous region on both sides of the Jordan River, in northern Palestine, between the Mediterranean Sea and the Arabian Desert, and their descendants, whether residing in Palestine, Syria, Switzerland, America, England, or any other country, should be returned as Hebrew, Jewish, or Israelite.

ITALIAN.

The people who are native to that portion of Italy contained within the boundaries of the kingdom of Italy, Turkey, the Mediterranean Islands under the Administration of Italy, Malta, Corsica, Spain, Switzerland, Austria, Calabria, Sicily, and San Marino, and their descendants, should be returned as "Italian, South."

Column 10. Last permanent residence.—Any resident of the Turkish Empire, of European or Asiatic birth, of whatever race, should be returned as a native of Turkey. In the case of aliens having two or more places of residence in foreign countries, each should be returned, the last permanent residence being given first and the next last permanent residence second. It is important, for statistical purposes, that the country of permanent residence of every alien departing from the United States should be correctly ascertained, and returned as the country to which he is going, and not simply as the country to which he has last come, unless he has been a resident thereof for one year or more.

Aliens who are permanent residents of the United States and are returning after a visit abroad, should be recorded on arrival in the United States for statistical purposes as of their permanent residence.

Column 11. Vessel and final destination.—Under the heading "Vessel and final destination" the entry to be made is the name of the vessel on which the alien has taken passage to the United States, and the name of the city, town, or village in the United States to which he is destined. Any alien who has become naturalized before sailing for the United States should be returned as a citizen of the United States, and not as a citizen of the country from which he came.

Column 12. Final destination (State).—The entry in column 12 should be the name of the State in the United States to which the alien is destined.

Column 13. Whether going to join relative, friend, or other person, and name and complete address of such relative or friend.—The entry in column 13 should be Yes or No, as the case may be.

Column 14. Whether in possession of ticket, and whether prepaid by himself or others, or by the government; if by others, state whether by relative, friend, or employer.—The entry in column 14 should be Yes or No, as the case may be. If the ticket was purchased by whom passage was paid, as for example, father, brother, or other relative, friend, steamship company, etc., etc.

Column 15. Whether in possession of $50 and if less than $50 how much.—The entry in column 15 should be Yes or No, as the case may be. If the alien has money, the amount of money must be stated in dollars and cents. The entry must be made in regard to the alien himself and not to the family.

Column 16. Whether ever before in the United States, and if so, when and where.—The entry in column 16 should be Yes or No, as the case may be. If the alien has been in the United States before, state when and where.

Column 17. Whether going to join husband, wife, father, or other relative in the United States, and if so, what relative or friend, and his name and complete address.—The entry in column 17 should be Yes or No, as the case may be. If the alien is going to join a relative or friend, the name and complete address of such relative or friend must be given.

Column 18. Whether ever in prison or almshouse or supported by charity, and if so, which.—The entry in column 18 should be Yes or No, as the case may be. If the alien has been in prison or almshouse or supported by charity, the fact must be stated.

Column 19. Whether a polygamist.—The entry in column 19 should be Yes or No, as the case may be. If the alien is a polygamist, the fact must be stated.

Column 20. Whether an anarchist.—The entry in column 20 should be Yes or No, as the case may be. If the alien is an anarchist, the fact must be stated.

Column 21. Whether coming under contract or agreement to perform labor in the United States, and if so, what kind of labor.—The entry in column 21 should be Yes or No, as the case may be. If the alien is coming under contract or agreement to perform labor in the United States, the fact must be stated.

Column 22. Whether ever before deported from the United States, and if so, when and why.—The entry in column 22 should be Yes or No, as the case may be. If the alien has been deported from the United States before, the fact must be stated.

Column 23. Whether a person who has been convicted of or admits having committed a felony or other crime or misdemeanor involving moral turpitude.—The entry in column 23 should be Yes or No, as the case may be. If the alien has been convicted of or admits having committed a felony or other crime or misdemeanor involving moral turpitude, the fact must be stated.

Affidavit of Surgeon.

I, Wm Stamp, Surgeon of the S. S. Newyork, sailing therewith, (State whether Surgeon "sailing therewith" or "employed by owners" as the case may be.) do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the laws of the State of Newyork, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age. The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex. The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single. The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien over 15 years of age, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in dollars.

Farmer means one who operates a farm, either for himself or others.

Farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors and registry clerks during the personal examination of aliens at arrivals.

Column 9. Race or people. The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and countries should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing in column 8 does not necessarily mean "French" by race or people, and similarly "French" appearing in column 9 does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of Ireland (Eire), Germany, or some other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy without the basin of the Po (i.e., the provinces of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence. An intended stay here of one year or more constitutes permanent residence. He is a citizen or subject of the country in which he resided with the intention to remain. Temporary visit, such as that performed by the ordinary Pullman or sleeping car porter, a period of a month or less, or a visit for pleasure, business, or health of a duration limited by the immigration law or regulations, does not constitute permanent residence. The entry in column 10 should show precisely the place of actual residence of the person, and not merely the United States consular office through which he secured his visa.

Column 11. Whether ever in U. S. The entry in column 11 should be either Yes or No.

Column 12. If so, when? If the answer to column 11 is Yes, the entry in column 12 should show approximately the date of the last previous visit to the United States.

Column 14. Whether ever in prison, etc. The entry in column 14 should be either Yes or No. Yes means that the alien has been in prison, almshouse, asylum, or hospital for the insane or mentally defective within the past five years. No means that he has not been in any of these institutions within the past five years.

Column 15. Whether a polygamist. The entry in column 15 should be either Yes or No. Yes means that the alien is a polygamist, or practices polygamy, or believes in polygamy. No means that he is not a polygamist, does not practice polygamy, and does not believe in polygamy.

Column 16. Whether an anarchist. The entry in column 16 should be either Yes or No. Yes means that the alien is an anarchist, believes in anarchy, or belongs to an anarchistic society or organization. No means that he is not an anarchist, does not believe in anarchy, and does not belong to an anarchistic society or organization.

Column 17. Whether coming under contract, express or implied, to perform labor. The entry in column 17 should be either Yes or No. Yes means that the alien has a definite contract, express or implied, to perform labor in the United States. No means that he has no such contract.

Column 18. Whether a prostitute, or coming for any immoral purpose. The entry in column 18 should be either Yes or No. Yes means that the alien is a prostitute, or is coming to the United States for the purpose of prostitution, or for any other immoral purpose. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, T. J. Turner, Ch. Offr, of the S. S. New York, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

T. J. Turner
Chief Officer.

Sworn to before me this 30th day of April, 1960

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age. The return of age in column 4 should be expressed in years or months, the latter only following entry to those under 1 year of age.

Column 4. Sex. The entry required in column 5 should be either M (male) or F (female).

Column 5. Married or single. The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6. Occupation. The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Cabinetmaker, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *laborer* and *farm laborer*, regardless of the amount of money he may have, as follows:

Laborer. A man who operates a farm, either for himself or others.

Farm laborer. A man who works on a farm for the man who operates it.

Stamped-up occupations should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of such arrivals.

Column 7. Able to read and write. Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8. Nationality. Column 8 should be construed to mean the country of which the original is a citizen or subject.

Column 9. Race or people. The entry in column 9 should show the race or people as given or seen back of the manifest.

Special attention should be paid to the distinction between race and nationality, and answers should be certainly revised by inspectors and registry clerks on this regard. For instance, Germany appearing in a natural-born record necessarily means "German" by race or people, and not native. "French" by nationality necessarily means "France" by nationality. Any alien who is a Slav, Teutonic, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies, other than Cuba, not Negroes.

SPANISH AMERICAN

Spanish American refers to the people of Central and South America of Spanish descent.

MEXICAN

Mexican (race) refers to Mexican Negro, whether native of Mexico or other countries of the West Indies, North or South America, Europe, or Africa. Any person with an admixture of blood of the Mexican Negro is considered under this heading.

ITALIAN, NORTH

The people who are native to the basin of the River Po in northern Italy (the compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po (the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence. An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as legal as one year shall be the last permanent residence, regardless of length of actual residence thereto. The entries on certain boards should show the *country* of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came. The entry in column 11 should give name and address of such relative. It is not relative, merely give name and address of friend.

Column 12. Final destination. Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show as nearly the place—city or town—as practicable of future permanent residence, as within the United States—country, if outside the United States.

Column 13. Whether having a ticket to final destination. The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14. By whom passage paid. The entry in column 14 should show whether by self, by whom passage was paid, as sent for—husband, father, brother, or other relative—friend, steamship company, etc.

Column 15. Whether in possession of $50 and if not, how much. The object in column 15 is to show whether the alien has sufficient money to land. The exact amount of money should be given in each case. If in excess of $50, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether going to join a relative and if so, what relative and where. The entries in column 16 should show whether going to join relatives in the United States or elsewhere, and if so, what relative and where, with name and complete address.

Column 17. Whether ever in prison, etc. The answers to these questions are to be given by the alien himself, and the entry should be "Yes" or "No" as the case may be.

Column 18. Whether a polygamist. The answers to these questions are to be given by the alien himself, and the entry should be "Yes" or "No" as the case may be.

Column 19. Whether an anarchist. The answers to these questions are to be given by the alien himself, and the entry should be "Yes" or "No" as the case may be.

Affidavit of Surgeon.

I, Wm Stump, Surgeon of the S.S. Newyork, Sailing therewith, (State whether "Sailing therewith" or "employed by owners thereof," as the case may be.) do solemnly, sincerely, and truly, swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the laws of the State of Newyork, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

Column 10 (Last permanent residence). An intended residence for a year shall constitute permanent residence. The last country in which alien resided with the intent to remain for a year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country, colony, or dependency of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Turner Chief Officer, of the S. S. New York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chief Officer.

Sworn to before me this 16th day of April, 1910,

at New York [illegible]

Immigration Officer.

11-1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 2 and 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at arrivals.

Column 7. Able to read and write.—Column 7 is subdivided, and the entries therein should be either Yes or No. Yes can read and write. No. Yes can read but not write, or Yes. No. Can read but not write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which an emigrant is a citizen or subject.

Column 9. Race or people.—See list of races on back of the manifest. The entry in column 9 should be the race or people given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be correctly revised by inspectors and registry clerks in this regard. For instance, "English" appearing in a manifest does not necessarily mean "English" as a race or people, and similarly "French" appearing in a manifest does not necessarily mean "French" as to nationality. An alien, who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negro descent.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba of Negro descent.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African (black)" refers to the African Negro, whether coming from Africa or other lands of the West Indies, North or South America, Europe, or Africa. Any person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartimenti of Liguria, Tuscany, the Marches Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—A residence for one year shall constitute permanent residence. The last country in which aliens resided with the intent mentioned in the act shall be the last permanent residence regardless of length of actual residence therein. The entry in column 10 should show the country, and not the city. Last permanent residence. It is important, for statistical purposes, that steamship companies accurately ascertain and permanent residence independent of country of temporary residence, as shown by column 10.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Columns 11, 12. Name and complete address of nearest relative or friend in the country whence he came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. Final destination.—Intended future permanent residence can be the final determinate. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) intended to be permanent residence within the United States, not the country, also not the United States.

Column 14. Whether having a ticket to final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15. If not, whether in possession of $50 and how much.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. Whether in possession of $50 and how much.—The entry in column 16 should give, in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided, as may be several members of the family.

Column 17. Whether ever been in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 18. Whether going to join husband, relative, or friend, and if so, what relative or friend, with name and complete address.—The entry in column 18 should show whether going to join father, relative, or friend, and if so, what relative or friend, with name and complete address.

Concerning the answers.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11-1115

Affidavit of Surgeon.

I, Wm. Stump, Surgeon of the U. S. New York, Sailing thereon (Strike out whether "Surgeon" sailing therewith" or "employed by owners thereof" as the case may be.), do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 7 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

11—1115

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, T. J. Turner, Chief Officer, of the S. S. Trave from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

T. J. Turner
Chief Officer.

Sworn to before me this 30 day of April, 1902.

at New York.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. The entry in column 4 should be either M (male) or F (female).

Column 5. *Married or single.* The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D. (divorced).

Column 6. *Occupation.* The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Clerk, shoemaker, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction is to be made between *farmers* and *farm laborers*, regardless of the amount of money shown to be in possession.

Do not use the word *none* to designate either lack of occupation or absence of occupation.

Do not use the words *day laborer, laborer, servant, work, etc.*, to indicate occupation, but in connection with each of these words state the particular kind of labor performed.

Steamship companies should make this distinction on the manifests, and correction should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Column 7. *Can read or cannot read.* Column 7 is addressed to and the entries therein should be either Yes or No. Yes means can read and write; No, No, can neither read nor write; Yes, No, can read but not write.

Column 8. *Nationality.* Column 8 should be construed to mean the country of which immigrant is a native or citizen or subject.

Column 9. *Race or people.* The entry in column 9 should show the race or people to which each alien belongs, as Hebrew, Irish, German, English, Italian, Slovak, Dalmatian, Croatian, Scandinavian, Scotch, French, Spanish, Portuguese, African (black), Chinese, Japanese, East Indian, Mexican, Cuban, West Indian, Polish, Russian, Finnish, Magyar, Bohemian or Moravian, Slovenian, Ruthenian (Russniak), Turkish, Armenian, Syrian, Arabian, Corsican, Wallachian, Roumanian, Greek, Lithuanian, Negro, Indian, Welsh, Scotch, Irish, English, Dutch, Flemish, Frisian, Swiss, Norwegian, Swedish, Icelandic, Canadian (French), Canadian (other than French), Australian, New Zealand, Boer, Bulgarian, Servian, Montenegrin, Albanian, Croatian, Dalmatian, Herzegovinian, Bosnian, Finn, Lapp, Siberian, Manchurian, Persian, Hindu, Afghan, Kanaka, Maori, Samoan, Hawaiian, Tasmanian, Philippine, Japanese-Korean, Chinese-Korean, Pacific Islander, West Indian, Asiatic Indian, Other Asiatic, Other African, Other European, Other Australasian, Other American, Other West Indian, Other Nationalities.

Specific information is desired in regard to the distinction between race and nationality, and entries should be carefully reviewed by inspectors and registry clerks in this regard. For instance, Hebrew, applicable alike to numerous races, means a people, and not a race, and should be further defined as Russian Hebrew, German Hebrew, English Hebrew, etc., according to the country from which they came. Scandinavian is a race, and includes Norwegian, Swedish, Danish, Icelandic, and Finnish peoples, and should be further defined as Norwegian, Swedish, Danish, Icelandic, or Finnish. Teutonic is a race, and includes German, Dutch, Flemish, English, Scotch, Swiss, Icelandic, Norwegian, Swedish, Danish, and sometimes French, and should be further defined as German, Dutch, Flemish, English, Scotch, Swiss, Icelandic, Norwegian, Swedish, Danish, or French. Latin is a race, and includes French, Spanish, Portuguese, Italian, Belgian, Canadian (French), Mexican, Cuban, Central and South American, and sometimes Roumanian, and should be further defined as French, Spanish, Portuguese, Italian, Belgian, Canadian (French), Mexican, Cuban, Central American, South American, or Roumanian. Mongolian is a race, and includes Chinese, Japanese, Corean, Asiatic Indian, Hindu, Malay, Polynesian, Siamese, Asiatic Russian, Australian, New Zealander, Tasmanian, Maori, Hawaiian, Samoan, Filipino, Indian (native), Pacific Islander, East Indian, and sometimes Chinese, Japanese, Corean, Asiatic Indian, Hindu, Malay, Polynesian, Siamese, Asiatic Russian, Australian, New Zealander, Tasmanian, Maori, Hawaiian, Samoan, Filipino, Indian (native), Pacific Islander, East Indian, and should be further defined as Chinese, Japanese, Corean, Asiatic Indian, Hindu, Malay, Polynesian, Siamese, Asiatic Russian, Australian, New Zealander, Tasmanian, Maori, Hawaiian, Samoan, Filipino, Indian (native), Pacific Islander, East Indian, or Other Asiatic. Ethiopian is a race, and includes Negro, African (black), Australian, Tasmanian, Maori, Samoan, Hawaiian, Filipino, Indian (native), Pacific Islander, East Indian, and sometimes Negro, African (black), Australian, Tasmanian, Maori, Samoan, Hawaiian, Filipino, Indian (native), Pacific Islander, East Indian, and should be further defined as Negro, African (black), Australian, Tasmanian, Maori, Samoan, Hawaiian, Filipino, Indian (native), Pacific Islander, East Indian, or Other African. American is a race, and includes Indian (native) and sometimes Eskimo, and should be further defined as Indian (native) or Eskimo. Other races or peoples should be designated on appropriate lines.

ITALIAN NORTH.

The people who are native to the territory of the River Po and its tributaries, Piedmont, Lombardy, Venetia, and Liguria, and those who emigrate from these districts to Italy, Switzerland, Austria-Hungary, France, and other countries, should be known as "Italian, north." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN, CENTRAL.

The people who are native to that portion of Italy south of the basin of the Po and the Apennines, including Tuscany, Umbria, the Marches, Latium, the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the emigrants from these districts, should be known as "Italian, central."

Column 10. *Last permanent residence.* Column 10 should be answered by the name of the country in which each alien has his permanent residence. The United States consular officers have been instructed to require that the answer to this question in the case of each alien must be a country and not a city, town, or village. For example, if the alien has his permanent residence in Austria, Hungary, Germany, Russia, France, or any other country, the name of that country must be given, and not the name of the city, town, or village in which he has his permanent residence. It is important for statistical purposes that the name of the country be given, so as to accurately show country of last permanent residence. Such residence is sometimes known as domicile, nationality, or citizenship.

Aliens who are permanent residents of the United States and who return from a temporary visit abroad should be recorded on manifests of United States vessels as from their permanent residence.

Column 11. *Name of ... destined.* ... the name of the city, town, or village of the final destination of the alien, as known at the time of sailing, whether in the United States or not. The intention of the alien at the time of sailing is to be followed as to destination, and not any subsequent change of destination. The entry in column 11 should show the name of the city, town, or village in the United States to which the alien is destined, as for example: New York, N. Y., Chicago, Ill., Boston, Mass., Philadelphia, Pa., Pittsburg, Pa., Cleveland, Ohio, Detroit, Mich., Milwaukee, Wis., St. Louis, Mo., San Francisco, Cal., Portland, Oreg., Seattle, Wash., Denver, Colo., Salt Lake City, Utah, Helena, Mont., Butte, Mont., Minneapolis, Minn., St. Paul, Minn., Duluth, Minn., Omaha, Nebr., Kansas City, Mo., Galveston, Tex., New Orleans, La., Mobile, Ala., Savannah, Ga., Charleston, S. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the NEW YORK, from SOUTHAMPTON, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this 16 day of April, 1910,
at New York

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as by example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who cultivates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who cultivates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but can not write.

Column 8. Nationality.—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entries in column 9 should show the race or people designated in said list.

Special attention should be paid to the distinction between race and nationality, and headings should be carefully revised by inspectors and deputy clerks on this account. For instance, "Hebrew" appearing on a manifest does not indicate nationality. "French" race or people are similarly treated, "French" appearing on a manifest does not necessarily indicate "France" as nationality. An alien who is Jew, German or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negro race.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro or his descendants from Cuba or other parts of the West Indies, Central or South America, Europe or Asia. A person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether resident of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which a person resided, the intention not to remain being as long as one year, will be held permanent residence, regardless of length of actual residence. The entry in column 10 should show the last permanent residence. It is important for statistical purposes that steamship companies accurately classify country of last permanent residence independent of country of temporary residence, nationality, or race.

Column 11. Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.—Aliens who are not citizens of the United States, and are returning from a visit abroad, should be recorded on manifests as "United States" their country of last permanent residence.

Column 12. Name and complete address of friend (if any) to whom alien is going.—The entry in column 12 should give name and address of the person, if any, whom the alien is going to join, relative living, or person and address of friend.

Column 13. Final destination.—Intended future permanent residence should be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should be the city or town, or state if the city or town is not known, to which the alien is destined within the United States, country to include the United States.

Column 14. If ticket paid for by another, state by whom.—The entry in column 14 should be either Yes (Y) or No (N).

Column 15. Have you ever been in prison, etc.?—The entry in column 15 should show by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. Whether in possession of $50 and if less than $50 how much.—The entry in column 16 should give in each case an individual or family the exact amount of money shown. Money handed to the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States and if so, when and where.—The entries in column 17 should show whether or not. Yes or No, in the United States before and if so, the approximate period of years and place, as 1903, Philadelphia.

Column 18. Whether going to join a relative, and if so, what relative and where.—The entry in column 18 should show whether going to join another relative, or friend, and if so, what relative or friend, with name and complete address.

Column 19. Remarks.—The answers in these columns are subject to review, and the inspection officer in the examination of aliens.

Affidavit of Surgeon.

NEW YORK SAILING THEREWITH.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly declare that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other parts of the West Indies, Central or South America, Europe or Africa. Any person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 9 (Last permanent residence). Any intended residence for one year or more should be considered sufficient to constitute permanent residence, and the entry in column 9 should be the last permanent residence, regardless of length of actual residence thereat. The object in view is to show the country, colony, or dependency of last permanent residence. It is important for statistical purposes that the steamship companies accurately show the country, colony, or dependency of last permanent residence. Last permanent residence should be distinguished from country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 10 (Name and complete address of nearest relative or friend in the country whence alien came). The entry in column 10 should give name and address of nearest relative or friend at last permanent residence (i. e., not temporary residence, if different from last permanent residence), as for instance, "Father, Pietro Rossi, Palermo, Italy," or "Friend, Thomas Brown, 1 Smith street, Dublin, Ireland."

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address). Intended future permanent residence same as in last preceding column. An intended residence for one year or more is sufficient to constitute permanent residence. The entry in column 11 should be as exact and definite as possible, and should show not only the name of the city or town, but the State, province, or country within the United States, country, dependency, or locality outside the United States.

Column 12 (Whether in possession of $50 in cash or not, and how much). The entry in column 12 should be Yes (cash) or No (cash).

Column 13 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address). Intended future permanent residence same as in the last preceding column. An intended residence for one year or more is sufficient to constitute permanent residence. The entry in column 13 should be as exact and definite as possible, and should show not only the name of the city or town, but the State, province, or country within the United States, country, dependency, or locality outside the United States.

Column 14 (Whether ever before in the United States, and if so, when and where). The entry in column 14 should be Yes (ever before) or No (never before).

Column 15 (Whether ever in prison or almshouse or supported by charity, and if so, what and when). The entry in column 15 should show whether the alien has been in prison or almshouse or supported by charity, or whether he is a beggar or vagrant, and if so, when and where.

Column 16 (Whether going to join a relative in the United States, and if so, what relative, and whether he has the money to pay for the passage of such relative). The entry in column 16 should show whether the alien has been assisted by relatives or friends, and if so, by what relatives or friends, and whether he has the money to pay for the passage of such relatives.

Column 17 (Whether ever before deported from the United States or sent for at public expense, and if so, when and why). The entry in column 17 should be either Yes (ever before deported) or No (never before deported).

Column 18 (Whether in possession of railroad ticket or other through ticket, and if so, to what destination). The entry in column 18 should be either Yes (ticket) or No (no ticket).

Column 19 (How much money in his own possession—not less than $50 unless going to join relative, and if so, what relative and his address). The entry in column 19 should show the amount of money in possession of the alien, whether $50 or more or less than $50, and if less than $50 should show whether going to join relative, and if so, what relative and his name and complete address.

Column 20 (Whether ever before in prison, etc.). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Strained or excessive physical vigor, defective nutrition, or the mark, scar, or other effects of injury, deformity, or other abnormal condition noted during the personal examination should be noted.

Column 8. Race or people.—See back of these manifest sheets for entry in column 8. Show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and color, and particular care should be taken not to report as Negro persons of those races who are white. Persons apparently of mixed white and black blood necessarily mean Negro. By special request the following definitions of races or peoples are given:

HEBREW.

The term "Hebrew" refers to the Jewish people and not to any religious belief.

ITALIAN (SOUTH).

The people who came from the southern part of Italy, i. e., those of the Kingdom of Naples, Province of Abruzzi, Province of Basilicata, Province of Calabria, Province of Campania, Province of Molise, Province of Apulia, Island of Sardinia, Province of Trapani, and Province of Girgenti, Island of Sicily.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of Spanish descent.

AFRICAN BLACK.

"African, black" refers to the native Negro with little admixture of white blood of the countries of the West Indies, Central or South America, Europe, or Asia. A person with an admixture of blood of the African Negro should be classified under this heading.

Column 9. Last permanent residence.—Under the United States column enter the name of the city, town, or village in the United States where the alien has his permanent residence. The entry in this column should show whether the place is a city, town, or village, and should be given in sufficient detail to enable the Immigration officer to identify the place without difficulty.

Column 10. Destined to the United States.—The entry in column 10 should be either Yes. Locked, or No. Locked.

Column 11. Name and complete address of person who paid passage.—Enter the name and address of the person by whom passage was paid. Do not merely mention father, mother, husband, wife, friend, or steamship company.

Column 12. Whether in possession of $50 and how much.—The entry in column 12 should give the exact amount of money possessed by the alien. Do not say "Some money" or "No money." Group the amounts in even tens, as 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 120, 140, 160, 180, 200, 250, 300, 400, 500, 600, 700, 800, 900, 1,000, or over.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos. J. Evans, Chief Officer, of the "New York" (Steamship or Vessel) from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos. J. Evans
Chief Officer

Sworn to before me this 19th day of April 1910

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, such as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Stewards on ocean vessels should make this distinction on the manifests, and corrections should be made by the examining inspector and registry clerk during the personal examination of aliens, if error.

Aliens in transit through, and out of the United States should be recorded under heading "In transit." Those coming only for a temporary sojourn in the United States but not intending to pass through, or transit, should be classed as "tourists" under head of occupation.

Column 7 (Can read or write).—Column 7 is subdivided and the entries therein should be either Yes—Yes—or read and write, No—No—can neither read nor write, or Yes—No—can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as known in Europe, not that of the United States.

Special attention should be paid to the distinction between race and nationality, and neatness should be carefully observed by inspectors and registry clerks in this regard. For instance, "Finns" (a people) should not be classified as "Russians" (a nationality), or Magyar people and similarly. "Poles" appear to be entitled to be set down as readily as "Germans" by nationality. Yet when writing in English or Hebrew in race or the people" as regards the landing of United States citizens, or other country by nationality. In this connection the following instructions should be carefully observed:

CUBAN

The people who are native to the Island of Cuba, not Negroes.

WEST INDIAN

West Indian, except Cuban, to include the people of the West Indian Islands, not Negroes.

CENTRAL AMERICAN

Spanish-American countries, to include the people of Central and South American countries of Spanish origin.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any race in whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartimenti of Piedmont, Lombardy, Venetia, and Liguria), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, Umbria, the Marches, Latium or Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata or Calabria, Sicily, and Sardinia), and their descendants should be returned as "Italian, south."

Country of last permanent residence.—The entries in column 10 should show the *second* country (or place) of last permanent residence. It is important for statistical purposes that the multiplicity of entries which show country of last permanent residence to be the United States or Canada be reduced to a minimum.

Aliens who are permanent residents of the United States and are returning thereto should be recorded "manifests and noted United States for country of last permanent residence."

Column 11 (Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 11 should show whether the alien is going to join relatives or friends, and if so, what relatives or friends, and their names and complete addresses, including street and number.

Column 12 (Ever in prison, almshouse, or supported by charity).—The entry in column 12 should show whether the alien has ever been in prison, almshouse, or supported by charity, and if so, which.

Column 13 (Whether having a ticket through to final destination).—The entry in column 13 should show whether the alien has a ticket through to his final destination in the United States.

Column 14 (Whether coming by reason of special contract, express or implied, to labor in the United States).—The entry in column 14 should show whether the alien has been induced to come to the United States by reason of any special contract, express or implied, to perform labor after arrival.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should show whether the alien has in his possession fifty dollars in money, and if less, how much less. Money broadly includes all forms of currency, drafts, letters of credit, and the like.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether the alien has ever been in the United States before, and if so, when and where.

Column 17 (Whether going to join husband, wife, father, or other relative in the United States, and if so, what relative, and his name and complete address).—The entry in column 17 should show whether the alien is going to join husband, wife, father, or other relative in the United States, and if so, what relative, and his name and complete address, including street and number.

Column 18 (Whether ticket paid by himself or others, and if by others, whether by relative or friend, or by employer or agent of transportation company, or by what other person or corporation).—The entry in column 18 should show whether the ticket of the alien was paid by himself or others, and if by others, whether by relative or friend, or by employer or agent of transportation company, or by what other person or corporation.

Affidavit of Surgeon.

I, William Stump, Surgeon of the Ford York, SAILING THEREWITH, do solemnly, sincerely, and truly [illegible] that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 20 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

William Stump MD

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer) of the [illegible] from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.)—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.)—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.)—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.)—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of aliens, as to

Column 7 (Able to read or not.)—Column 7 is self-explanatory and the entries therein should be either Yes or No. Yes can read and write). No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality.)—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people.)—A detail of the seven races or peoples of the earth, as given in column 9, and to be entered opposite each alien mentioned in said list.

Special attention should be paid to the distinction between the various races and peoples, and particular regard should be carefully observed by inspectors and deputy clerks at the time of the personal examination of aliens, as to the proper classification of the various races or peoples mentioned. For instance, the term "Hebrew" is not to be considered a race or people, but may be composed of persons of several races, such as Semites, Mongolians, Hamites, Caucasians, and mixtures of these races. Hebrews are generally white persons, but may be blacks, brunettes, or blondes. Similarly, the term "Germans" is not to be considered a race or people, but is a nationality. Natives who speak German, or Hebrews of the same nationality, properly come under the heading of United Kingdom or any other country to which they belong. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, but not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro race, whether born in Africa, Cuba, the West Indies, Central or South America, Europe, or Africa. A person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the latitude of the River Po, including the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether born in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Many of these people speak a Gaelic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the latitude of the River Po, including the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last previous residence.)—Aliens in the possession of a permanent residence in a foreign country should be required to state the country of such residence, and the length of time they have resided therein. Aliens coming to the United States to join relatives, friends, employers, or others, who have resided in foreign countries for a short time only, should be required to state the country of their permanent residence, even though they may have been temporarily visiting in other countries. Aliens coming from countries contiguous to the United States should be required to state their last permanent residence, even though they may have been visiting for short periods in the United States or in countries other than those contiguous thereto.

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.)—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12 (Whether have a ticket through, and whether paid for by himself or others.)—The entry in column 12 should show whether the alien has been provided with a ticket to his destination, and if so, by whom the passage was paid, as for example, "Himself," "Father," "Brother," "Uncle," "Friend," "Steamship company," etc.

Column 13 (Whether in possession of $50 and by whom furnished.)—The entry in column 13 should be such as to show the exact amount of money shown by each alien. Money should be by the heads of families shown for the whole family, and by the individuals for themselves.

Column 14 (Whether ever before in the United States and if so, when and where.)—The entries in column 14 should show whether each alien has been in the United States before, and if so, the year or period of years and place, as "1901 to, Philadelphia."

Column 15 (Whether coming to join relatives and if so, what relatives and their names and complete address.)—The entry in column 15 should show whether the alien is going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 16 (Final destination.)—The answers in these columns are accepted by inspection officers in the examination of aliens.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.) The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.) The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.) The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *skilled* and *unskilled labor*, regardless of the amount of money shown, as follows:

Laborer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steps taken by transportation companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examination of aliens on their arrival.

Column 7 (Able to read or write.) Column 7 is subdivided, and the entries therein should be either Yes or No. One can read and write, Yes; No, one can neither read nor write; or Yes, No, can read but cannot write.

Column 8 (Nationality.) Column 8 should be construed to mean the country of which an alien claims to be a citizen or subject, as a general rule.

Column 9 (Race or people.) See list of races included, at foot of this notice. The entry in column 9 should be one of the races or peoples given in said list.

Special attention should be paid to the distinction between race and nationality, and inquiries should be framed by inspectors and registry clerks in this regard. For instance, a native of ... (a province in Austria) should not be set down as a "Bohemian" or "Moravian" (races), but as a member of one of the races inhabiting that country, such as "Slovak," "Czech," "Polish," "German," or "Hebrew," as the case might be. So, also, natives of Scotch, Welsh, or English birth should not be entered as "British," but as "Scotch," "Welsh," or "English." Natives of Canada should be described as "English," "French," or "Scotch," according to the records of the Canadian census. Natives of Ireland should be described as "Irish," and not as "English." Natives of Germany should be described as "German," and not as "Austrian," "Bohemian," or "Hungarian." Natives of Turkey in Asia should be described as "Armenian," "Syrian," "Turkish," "Arabian," or "Hebrew," as the case might be, and not merely as "Asiatic Turk." Natives of Turkey in Europe should be described as "Turkish," "Greek," "Albanian," "Roumanian," "Bulgarian," "Servian," "Montenegrin," "Croatian," "Slavonian," "Dalmatian," "Herzegovinian," or "Bosnian," as the case might be. Natives of Africa should be described as "Arabian," "Negro," "Black," "Mulatto," "Abyssinian," "Berber," "Egyptian," "Kaffir," "Madagascan," "Senegambian," "Soudanese," or "Zulu," as the case may be. Natives of Mexico should be described as "Mexican," "Indian," "Negro," "Spanish," or "Mixed," as the case may be. Natives of Cuba should be described as "Cuban," "Spanish," "Negro," "Mulatto," or "Chinese," as the case may be. Natives of Porto Rico should be described as "Porto Rican," "Spanish," "Negro," "Mulatto," or "Chinese," as the case may be. Natives of Central or South America should be described as "Central American," "South American," "Indian," "Negro," "Spanish," "Portuguese," "Mixed," or "Chinese," as the case may be. Natives of the Philippine Islands should be described as "Filipino," "Tagalo," "Visayan," "Moro," "Negrito," "Igorrote," "Spanish," "Chinese," "Mestizo," "Negro," or "Mulatto," as the case may be. Natives of the Hawaiian Islands should be described as "Hawaiian," "Chinese," "Japanese," "Portuguese," "Anglo-Saxon," "Negro," "Mulatto," or "Mixed," as the case may be. Natives of the Samoan Islands should be described as "Samoan," "Chinese," "Japanese," "Portuguese," "Anglo-Saxon," "Negro," "Mulatto," or "Mixed," as the case may be. Natives of the Hawaiian Islands should be described as "Hawaiian," "Chinese," "Japanese," "Portuguese," "Anglo-Saxon," "Negro," "Mulatto," or "Mixed," as the case may be. Natives of the Samoan Islands should be described as "Samoan," "Chinese," "Japanese," "Portuguese," "Anglo-Saxon," "Negro," "Mulatto," or "Mixed," as the case may be.

CUBAN

The Cuban is to be the Cuban people, not Negroes.

WEST INDIAN

The West Indian is to be the people of the West Indies, other than Cuban, not Negroes.

SPANISH AMERICAN

The Spanish American refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK)

The African (Black) refers to the African Negro, whether native born, of native or foreign parents, of the West Indies, North or South America, or Africa. Any person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be described as "Italian, South."

Column 10 (Last permanent residence.) All people should state their last permanent home. The last country in which a person resided with the intention of remaining is to be set down as the last permanent residence, regardless of length of actual residence there. The entries in this column should show the country and the place of last permanent residence. It is important, for statistical purposes, that steamship companies accurately show country of last permanent residence, independently of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad must be recorded in manifests as of United States for country of last permanent residence.

Column 11 (Name of person to whom alien is going.) The entry in column 11 should give the name and address of some relative or friend whom the alien is going to rejoin or visit, or state that he is going to a friend.

Column 12 (Destination.) Intended future permanent residence should be stated, the destination being the city, town, or village where the alien intends to reside permanently or for a definite period. The entry in column 12 should show the place (city, town, or village) to which the alien is destined in the United States, as near as may be, and not merely the State.

Column 13 (Whether going to join relative or friend, and if so, what relative or friend, and name and complete address of such relative or friend.) The entry in column 13 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 14 (Ever in prison, etc.) The answers in this column are subject to verification by the inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

NEW YORK.

I, Ros J. Pearson Chief Officer, of the (State whether Master, First or Second Officer) NEW YORK, from SOUTHAMPTON, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Ros J. Pearson
Chief Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes, can read and write; No, No, can neither read nor write; or Yes, No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which person last a citizen or subject.

Column 9 (Race).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" for race or people, as under a "French" appearing on a manifest does not necessarily mean "France" by nationality. An Alsatian who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In the connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i.e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence there in. The entries in column 10 should show the *country, not city or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded in manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of person already in the United States whom alien intends to join).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence should be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town, or, if headed to farm, post-office address) of settlement in the United States, country, if outside of United States.

Column 13 (Whether having a ticket to final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom passage paid).—The entry in column 14, to show, should indicate by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if not, how much).—The entry in column 15 should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not Yes or No in the United States before and if so, the year, period of years, and place, as 1903, Philadelphia.

Column 17 (Whether going to join a friend, and if so, what one, and where).—The entry in column 17 should show whether going to join a friend or not, and if so, what relative or friend, with name and complete address.

Column 18 (Ultimate).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] of the **NEW YORK** from **SOUTHAMPTON.** do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist, or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 3 (Age). — The return of age in column 3 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation. — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, resin molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer, is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be so returned, and all persons in charge of these aliens should be instructed promptly to land such aliens at the first port in the United States at which the vessel may touch, if intending to pass through it in transit to some foreign country.

Column 7. (Able to read and write). — Column 7 is subdivided, and the entries therein should be either Yes or No. Yes, can read and write; Yes, No, can neither read nor write; or Yes, No, can read, but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in the following list:

Special attention should be paid to the distinction between race and nationality, as manifests should be carefully revised by inspectors and registry clerks in this respect. The term "French," appearing on a manifest does not necessarily mean "French by nationality." An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian, south."

Column 10. Last permanent residence. — The entries in column 10 should show the *country*, and if, *so known*, the last permanent residence. It is important for statistical purposes, and should be a matter of careful observance, that country of last permanent residence, independent of casual and temporary residence, nationality, or race.

Aliens who are [illegible] permanent residents of the United States and are returning from several visits abroad should be recorded on the manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came. — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town, of intended destination of alien in the United States, country named, the United States.

Column 14. Whether having a ticket to such final destination. — The entry in column 14 should be either Yes, ticket, or No, no ticket.

Column 15. By whom was passage paid. — The entries in column 15 should show definitely by whom passage was paid, as self, wife and father, brother, or other relative named, steamship company, etc.

Column 16. Whether in possession of $50 and if less, how much. — The entry in column 16 should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States, and if so, when and where. — The entries in column 17 should show whether or not Yes or No, in the United States before, and if so, the year, or period of years, and place, as, 1894-97, Philadelphia.

Column 18 (Going to) to relative or friend, and if so, what relative or friend. — The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 (+). — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

NEW YORK

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel passer, tool molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other such indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who cooperates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of intending arrivals.

Columns 7 and 8 (Able to read and write). Column 7 is subdivided and the entries therein (which will be either Yes or No) should show Yes if the alien can read and write, or Yes if can read but not write, or No if can neither read nor write.

Columns 9 and 10 (Nationality). Column 9 should be construed to mean the country of which the immigrant is a citizen or subject.

Columns 11 and 12 (Race or people). The entry in column 9 should show the race or people as you will instruct on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing in a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" nationality. An alien who is Irish, German, or Hebrew by race might properly be credited to the kingdom of United Kingdom or any other country by nationality. In this connection the following should be specially observed:

CUBAN

The terms "Cuban" rejected the Cuban people—not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba—not Negroes.

SOUTH AMERICAN

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba, other West Indies, Central or South America, Europe, or Africa. Any person with a trace of African blood of the African Negro should be classed under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy—i. e., comparatively of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po—i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Columns 13 and 14 (Last permanent residence). An intended residence for one year shall constitute permanent residence. The last country in which an alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 13 should show the *country, or locality, or race* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 15 (Name and complete address of nearest relative or friend in the country whence alien came). The entry in column 15 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 16 (Final destination). Intended future permanent residence shall be the final destination. An intended residence for one year shall constitute permanent residence. The entry in column 16 should show definitely the place, city or town of intended future permanent residence, if within the United States—country, "Outside the United States."

Column 17 (Whether having a ticket to final destination). The entry in column 17 should be either Yes (ticket) or No (no ticket).

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4. Age.—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. Sex.—The entry in column 5 should be either M (male) or F (female).

Column 6. Married or single.—The entry in column 6 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 7. Calling or occupation.—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Cabinetmaker, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other stock-in-trade designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

Farmer.—One who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8. Able to read and write.—Column 8 is subdivided and the entries therein should be either Yes (can read and write), No (can not read nor write), or Yes (can read but not write).

Column 9. Nationality.—Column 9 should be construed to mean the country of which person last became a citizen or subject.

Column 10. Race or people.—The entry in column 10 should show the race or people as to which distinction is of this manifest.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "Hebrew" apparently contains no reference to nationality, "French" to race or people, nor is nationality, "English" synonymous with "British," but each of these is distinctive as to race. Each German, or Hebrew by race might properly come under the heading of United Kingdom of another country as nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the white people of Cuba, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SOUTH AMERICAN.

Specific nationality is to be given for people of Central and South America, not Spanish descent.

AFRICAN (NEGRO).

African (Negro) refers to all Africans, whether coming from Cape Colony or other parts of South Africa, Natal, Nyassa, Liberia, or Abyssinia, or elsewhere, with no admixture of blood of the African Negro race, which is to be entered under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, or the component parts of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Venetian and Modena, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. Last permanent residence.—An intended residence of one year or more constitutes permanent residence. The last country in which, and with the intention of acquiring domicile as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 12 should give name and address (street and number) of nearest relative living, giving name and address of friend.

Column 13. Final destination.—If tickets, initial permanent destination shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show destination by post-office address, whether permanent residence within the United States, country, outside the United States.

Column 14. Whether having a ticket through and destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15. If not, whether in possession of sufficient money to land.—The entry in column 15 should show whether the alien has sufficient money in his possession to land, or whether he has been provided with money by any person, corporation, society, or other source, or whether he has not sufficient money to land.

Column 16. Whether ever before in the United States, and if so, when and where.—The entries in column 16 should show whether ever before in the United States, and if so, when and where.

Column 17. Whether going to join a husband, father, or other relative in the United States, and if so, what relative and where.—The entry in column 17 should show whether going to join husband, father, or other relative in the United States, and if so, what relative and where.

Column 18.—The purpose of these columns is [illegible] specific, as follows:

Affidavit of Surgeon.

I, W. P. Clemp, Surgeon of the U. S. Navy, solemnly, sincerely, and truly declare that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Sex.—The entry in column 4 should be a (male) or F (female).

Column 5: Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6: Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as per example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money each may have, as follows:

Farmer.—A person who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7: Can read and write.—Column 7 is subdivided and the entries therein should be either Yes (Yes—can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8: Nationality.—Column 8 should be construed to mean the country of which an alien claims to be a citizen or subject.

Column 9: Race or people.—The entry in column 9 should show the race or people as given or listed under the head of this manifest.

Special attention should be paid to the distinction between race and nationality, and nativity should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien whose birth occurred in Hebrew by race might properly be recorded as a native of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to all African Negroes, whether coming from Africa proper, or the West Indies, Central or South America, Europe, or Asia. An African with another designation of locality (as British, French, Haitian, Cuban, etc.) should be classified under that heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the boundary of the River Po, i. e., the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention to remain as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country*, not the city, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of origin, citizenship, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence should be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show both the place (city or town) of intended future permanent residence within the United States, country, if to the United States.

Column 13: Whether having a ticket, paid passage, etc.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14: Whether in possession of $50 and if less how much.—The entry in column 14 should show by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15: Whether in possession of $50, and if less how much.—The entry in column 15 should give in each case, individual or family, the exact amount of money in possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 16: Whether ever before in the United States, and if so, when and where.—The entries in column 16 should show whether (Yes or No) in the United States before and if so, the year (or period of years) and place, as 1893, Philadelphia.

Column 17: Whether going to join a relative or friend, and if so, give name and address.—The entry in column 17 should show whether going to join relatives or friend, and if so, what relative or friend with name and complete address.

Column 18: Remarks.—The answers in these columns are subject to be questioned by any special inquiries in the examination to follow.

Affidavit of Surgeon.

I, Wm Stump, Surgeon of the U. S. New York Sailing Steerwise, do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, — in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, T. J. Turner, Chief Officer of the S. S. New York, from Southampton, do solemnly, sincerely, and truly swear: that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

T. J. Turner
Chief Officer.

Sworn to before me this 16 day of April, 1910,

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age.) — The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex.) — The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single.) — The entry in column 6 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 7 (Calling or occupation.) — The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write.) — Column 8 is subdivided and the entries therein should be either Yes or No. Yes—can read and write; No—No—can neither read nor write; or Yes—No—can read but not write.

Column 9 (Nationality.) — Column 9 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 10 (Race or people.) — A list of races is on back of this manifest. The entry in column 10 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, Irish, Scotch, English, or French appearing in column 9 does not necessarily indicate that the people so described are "French" appearing in column 10 necessarily indicate that they are "French" by race or people, but may be "Irish," "Scotch," or "English" by race or people, as the case may be. Another instance: A native of Germany may be of the Hebrew race, and a native of Russia, Germany, or Hungary may be of the Celtic race. Another instance: An native of Ireland may be of the Anglo-Saxon race. Another instance: A native of Africa may be of the Hebrew race. Another instance: A native of Turkey in Asia may be of the Hebrew race. Another instance: A native of Arabia may be of the Hebrew race. Another instance: A native of Spain may be of the Celtic race. THIS SHEET IS FOR STEERAGE PASSENGERS.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer) of the [illegible] from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this 16 day of [illegible], 19[illegible],
at New York

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, shoe worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer—One who operates a farm, either for himself or others.

Farm laborer—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correction should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read or can't read).—Column 7 is subdivided, and the entries therein should be either Yes or No. Yes—can read and write. No—can neither read nor write; or Yes—No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—Neither of rules on back of this manifest. The entry in column 9 should show the race or people of aliens named in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent not to remain as long as one year shall be the last permanent residence, regardless of length of actual residence thereon. The entry in column 10 should show the nation, colony, or dependency last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. It is not sufficient that name alone be given, but the address of the relative (name, care of name, and address) should be given.

Column 12 (Final destination).—Intended future permanent residence should be stated in this column. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether ever before in the United States and, if so, when and where).—The entries in column 13 should be Yes or No, as the United States is to be answered. If Yes, the year (or period of years) and place (as 1891, Philadelphia).

Column 14 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 14 should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Columns 15 to 19.—The answers to these questions are subject to revision by inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Wm Stump, Surgeon of the S.S. New York Sailing Herewith, do
(State whether "Surgeon" or "acting therewith," or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly ~~declare~~ swear that I have had 14 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the
State of New York, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

William Stump MD

Sworn to before me this 16th day of April, 1910

at Newport

Immigration Officer.

11—1115

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

S. 74

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Y. J. Turner Ch. Officer, of the S. S. New York, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chief Officer.

Sworn to before me this 17th day of April, 1910,

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow[er]), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, nation, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to said final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether in possession of $50, and if less than much).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less than much).—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 14 to 18.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Wm Stamp, Surgeon of the S. S. New York, Lading Therewith, (State whether Surgeon sailing therewith or employed by owners thereof, as the case may be.) do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

11—1115

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. J. Turner, Chief Officer of the P. & O. Liner York, from Southampton, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. J. Turner
Chief Officer.

Sworn to before me this 16 day of April, 1910,
at Dover.

Immigration Officer.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1116

Affidavit of Surgeon.

I, Wm Stump, Surgeon of the S. S. New York, Sailing therewith, (State whether Surgeon "sailing therewith" or "employed by owners thereof" as the case may be.) do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Laws of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 14 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, 2d Lieut. Commanding Officer, of the S.S. New York, from Southampton, do solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Line No. The return of age in column 5 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry to be made in column 2 should be either M (male) or F (female).

Column 3. Married or single. The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4. Calling or occupation. The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, state navy engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *engineer* and *fireman*, regardless of the amount of money shown as follows:

Engineer. One who operates a turbine, dynamo, locomotive, or others.

Fireman. One who works on a furnace for the man who operates it.

Steerage passengers should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of each alien.

Columns 5 [illegible] and 7. Column 5 is subdivided into three parts. Each person should be either Yes. Yes can read and write. No. No can neither read nor write. Yes. No. can read but not write.

Column 8. Nationality. Column 8 should be instituted to mean the country of which a foreigner is a citizen or subject.

Column 9. Race or people. See list of races on back of this manifest. The entry in column 9 should show the race or people as shown on said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finns" appearing on a manifest coming from Russia mean Finns by race and people and similarly, "French" appearing on a manifest coming from France mean French by race and nationality. An alien who is Irish, Scotch, or Welsh by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection, the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba) not Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, whether coming from Africa, Cuba, or other islands of the West Indies, Central America, Europe or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and the Lodigiani who either reside in Italy, Switzerland, Austria-Hungary, or any other country, except be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence. An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention to remain as long as one year shall be the last permanent residence regardless of length of actual residence there. These terms are to be so construed as to show the country of last permanent residence. It is important for statistical purposes that Steerage passengers accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend [illegible] whom alien came. The entry in column 11 should give name and address of nearest relative living or friend to whom alien is destined.

Column 12. Final destination. Intended future permanent residence, but not the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should state with certainty the place (city or town) intended for permanent residence within the United States, country, if outside the United States.

Column 13. Whether having a ticket to final destination. The entry in column 13 should be either Yes, ticket or No, not ticketed.

Column 14. If not, by whom passage paid. The entry in column 14 should be stated by whom passage was paid as "self, husband, father, brother, or other relative, friend, steamship company, etc."

Column 15. Whether in possession of $50 and if less than $50 how much. The entry in column 15 should give in each case individual or family. Not each individual of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever before in United States and if so, when and where. The entries in column 16 should show whether or not Yes or No in the United States before and if so, the year or period of years and place as "1903, Philadelphia."

Column 17. Condition, mental and physical, deformed or crippled, and cause. The entry in column 18 should show whether going to join a father, friend, etc., or what relative or friend, with name and complete address.

Columns 18 to 29. The answers to these columns are subject to such questions as the inspection officer in the examination of aliens.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M, S, Wd, or D, as the case may be, M standing for married, S for single, Wd for widowed, and D for divorced.

Column 6 (Calling or occupation).—The entry in column 6 should show what the alien is actually able and intends to do for a living, and not simply his former occupation. Do not return laborer, farmer, or servant, unless he has been engaged in that capacity for a year or more, and intends to follow it in the country to which he goes. Persons formerly engaged in a profession, but not intending to practice it in the United States, should be returned as such, and not as laborers. Do not return a man as a gentleman, lady, or servant. Do not return children or persons without occupations as laborers. Be specific. Do not return laborer, engineer, farmer, clerk, or manufacturer. Do not return weaver, spinner, operative, or factory hand, unless he has been employed at his trade in a factory. Do not return a man as a miner unless he has been employed in a mine. Do not return a man as a servant unless he intends to enter domestic service. Do not return a boy as a student unless he has been at school and intends to continue his studies in the United States. Do not return a woman as having no occupation unless she is under 15 years of age. Do not return a woman as a housekeeper unless she has been employed in that capacity. Do not return a woman as a housewife. Do not return a woman as a housekeeper unless she has been employed in that capacity. Do not return a woman as a housewife. Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Thus, Germans, Irish, English, Scotch, Welsh, Italians, Spanish, Portuguese, Hebrews, Russians, Poles, Bohemians, Slovaks, Croatians, Dalmatians, Servians, Bulgarians, Roumanians, Greeks, Turks, Armenians, Syrians, Japanese, Chinese, Hindus, East Indians, Mexicans, Cubans, West Indians, Negroes, Magyars, Finns, Scandinavians, Lithuanians, Ruthenians, Moravians, Dutch, Flemish, Belgians, French, Basques, Bretons, Swiss, Germans, Austrians, Hungarians

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas E Cahoon Master, of the Am S S Sequoia, from San Francisco Cal, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The column of age in column 3 should be expressed in years or months, the latter appended to the age under 1 year of age.

Column 4 (Sex).—Use the entry to observe, Record by either M for Male or F for Female.

Column 5 (Married or single).—The entry in column 5 should be either M married, S single, W widowed, or D divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each, the arrival at U S of a sample Cabinet maker, Clerk, Laborer, Servant girl, Engineer, Farmer, Agriculturist, Tailor, Tailoress, Shoemaker, Weaver, Dressmaker, and not simply as a mechanic, machinist, laborer, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, giving the word the broadest meaning.

A *laborer* is one who performs a rating, either for himself or others.

A *farmer* is one who owns or works on a farm, or who has charge of a farm.

Steamship companies should make the declaration as to the correctness of the manifests unnecessary, by inspecting and correcting clerical errors during the personal examination of each alien on arrival.

Every intending immigrant passing through and out of the United States should be provided with a through ticket and destination to the United States, but if such intending immigrant shall not be able to produce a through ticket he should be detained at Ellis Island under head of "In transit."

Column 7 (Nationality).—Column 7 is subdivided, and the entries therein should be either Yes or No, as indicated in each case. Nos. 8 and 9 are to be treated in the same manner as Yes or No answers, as the case may be.

Column 8 (Race).—The entry in column 8 should be governed by the country to which immigrant refers as his or her nationality.

Column 9 (Last residence).—The entry in column 9 should show the name of people as given in list or manifest.

Special attention should be paid to the distinction between race and nationality, and in all doubtful cases should be kept constantly in mind the above instructions and bearing in mind "France" applies to a native of France, French by race or people, while "French Canadian" applies to a native of Canada, French by race or people, while "Canadian" applies to a native of Canada, or Dominion of Canada, by birth, irrespective of race or people. An alien born in Germany, or Hungary, or France, or Canada, should properly come under the head of that country, and not be generally described by nationality. In this column no abbreviations should be permitted.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descents.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the territory south of the North Boundary of the River Po, i. e., Northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia), and who emigrate to countries, whether resident in Italy, Switzerland, Austria-Hungary, or elsewhere, according to country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the North boundary of the River Po, i. e., comprising the provinces of Tuscany, Umbria, Rome, the Abruzzi, the Marches, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and from whom emigrants would be classed as Italian (south).

Column 10 (Last permanent residence).—The entries in column 10 should show the country of last permanent residence. It is important that the actual permanent residence of the immigrant should be accurately shown, as much of the permanent residence of the country depends upon the correctness of the entry in column 10.

Alien who is a permanent resident of the United States and who returns from a visit abroad should be recorded on manifests as United States [illegible] permanent residence.

Column 11 (Name and complete address of nearest relative or friend in the country whence alien came).—The entry in column 11 should give name and complete address of such relative. If more than relative living, Nearest one should be stated.

Column 12 (Final destination).—The entry in column 12 should be definite, the name of city or town and State, if within the United States. If country, state country of which the United States.

Column 13 (Whether in possession of railroad ticket to such final destination).—The entry in column 13 should be either Yes or No (as the case may be).

Column 14 (If not, whether amount passage paid for by).—The entry in column 14 should show by whom passage was paid, as "self," husband, father, brother, other relative or friend, "contract" or "company," etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should be "Yes" or "No," and if "Yes" the exact amount of money shown. Money is meant to include bank-notes, gold, silver, and all kinds of coin and paper which are recognized as legal tender for the payment of debts in the several countries to which they belong.

Column 16 (Whether ever before in the United States, and if so, when and where).—The object of this column is to show whether the alien has been in the United States before, and if so, the year, city, and State in which he last landed.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 17 should show whether the alien has friends or relatives to join, and if so what relative or friend, with name and complete address.

Column 18 (Whether going to join a person who has already been naturalized, or one who has taken out papers, and if so, the name of such person and where he is).—The entry in column 18 should show whether the alien has friends or relatives who have become naturalized citizens or who have taken out their first papers, and if so, the name of such person and where he is.

Affidavit of Surgeon.

I, Laurence Bjerring, Surgeon of the "Seguranca", employed by
Do
solemnly, sincerely, and truly swear that I have had 2 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of State of New-York,
and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. C Cakes, (Master, First, Second Officer), of the Am S S Lexington, from Nassau Bahamas, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas C Cakes
Master Officer.

Sworn to before me this 17th day of April, 1940.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Columns 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien whose Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 (Last permanent residence). The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much). The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entry in column 16 should show whether or not Yes or No in the United States before, and if so, the year or approximate years and place, as 1894-97, Philadelphia.

Column 17 (Going to join relatives or friend, and if so, what relative or friend, with name and complete address). The entry in column 17 should show whether going to join other relative or friend, and if so what relative or friend, with name and complete address.

Columns 18 to ——. The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

"The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apoulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, not city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place—city or town—of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894 or, Philadelphia.

Column 18 (Whether going to join a relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 (...).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. G. Wise, Surgeon of the Fifth Minnesota, say that I have had three years' actual experience as a Physician and Surgeon, and that I am entitled to practice as such by the laws of the State of Minnesota; that I have carefully examined each of the persons named herein, and that the foregoing Lists or Muster Rolls are, to the best of my knowledge and belief, full, correct and true in all particulars touching the mental and physical condition of such persons.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as specifically as possible the occupation, trade, or profession of each alien, as clerk, carpenter, civil engineer, stationary engineer, lawyer, tiller of soil, painter, laborer, tool polisher, iron molder, wood turner, etc., and not simply as worker, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens intending to pass through and out of the United States should be recorded under head of "in transit," those coming to reside permanently in the United States, but not intending to pass through, under head of "immigrants," and visitors under head of "temporary visit."

Column 7 (Whether can read or write).—Under this column each alien should be carefully questioned, and the entry should be either Yes or No. Persons who can read only should be entered Yes; those who can read and write, Yes. Those who can neither read nor write, No.

Column 8 (Nationality).—Column 8 should be considered to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as distinguished on page 1 of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests carefully revised by inspectors and registry clerks during the personal examination. Frequently a passenger's manifest bears the entry "French," or "Irish," or "Russian," or "Hebrew," or "Scotch," or "English," or "German," or "Italian," or "Spanish," or "Mexican," or "Cuban," or "Turkish," or "Armenian," or "Negro," or "Chinese," or "Japanese," or "East Indian," or "Portuguese," or "South American," or "West Indian," or "Polish," or "Bohemian," or "Dutch," or "Flemish," or "Scandinavian," or "Finnish," or "Greek," or "Syrian," or "Turanian," or "Magyar," or "Roumanian," or "Ruthenian," or "Croatian," or "Servian," or "Slovak," or "Slovenian," or "Bulgarian," or "Montenegrin," or "Corsican," or "Basque," or "Celtic," or "Welsh," or "Scotch Highlander," or "Gaelic," or "Lowland Scotch," or "Manx," or "Cornish," or "Danubian," or "Carpatho Russian," or "Dalmatian," or "Bosnian," or "Herzegovinian," or "Lapp," or "Iberian," or "Kelt," or "Kymric," or "Moorish," or "Pyrenean," or "Romanian," or "Sclavonian," or "Wallachian," or "Australian," or "Tasmanian," or "New Zealander," or "Philippine," or "Hawaiian," or "Indian (native)," or "Pacific Islander," or "Porto Rican," or "Cuban," or "African (black)," or "Hebrew," or "Jewish," or "Ethiopian," or "Abyssinian," or "Arabian," or "Syrian," or "Turkish," or "Armenian," or "Persian," or "Afghan," or "Hindu," or "Kurd," or "Chinese," or "Japanese," or "Korean," or "Mongolian," or "Siberian," or "Tartar," or "Thibetan," or "Malay," or "Polynesian," or "Scandinavian," or "Finnish," or "Lapp," or "Russian," or "Bohemian," or "Moravian," or "Slovak," or "Polish," or "Ruthenian," or "Galician," or "Dalmatian," or "Croatian," or "Slavonian," or "Servian," or "Bosnian," or "Herzegovinian," or "Montenegrin," or "Bulgarian," or "Roumanian," or "Magyar," or "Dutch," or "Flemish," or "Belgian," or "Swiss," or "Spanish," or "Portuguese," or "Basque," or "Italian (north)," or "Italian (south)," or "Corsican," or "Celtic," or "Welsh," or "Scotch Highlander," or "Gaelic," or "Lowland Scotch," or "Manx," or "Cornish," or "English," or "Irish," or "Danubian," or "Carpatho Russian," or "Dalmatian," or "Bosnian," or "Herzegovinian," or "Montenegrin," or "Bulgarian," or "Servian," or "Croatian," or "Slavonian," or "Roumanian," or "Magyar," or "Slovak," or "Slovenian," or "Ruthenian," or "Galician," or "Polish," or "Russian," or "Finnish," or "Lapp," or "Scandinavian
